

Clint Junior Cub Family,

Even though your online learning is still a learning process, you WILL be able to talk to your teacher through video conferencing using **Google Meet**, which is available on your Google platform. The meeting code will be in Google Classroom. We will be with you every step of the way, ready to guide you and your parents in whatever you need to make your instruction engaging, effective, and relevant so that you can successfully master your grade-level standards.

Student Online Schedule

Time of Day	Monday	Tuesday Content Support	Wednesday	Thursday Content Support	Friday
8:15 – 11:15	Work on MATH Class in the morning	Math teachers available to assist through google meet Work on an ELECTIVE Class and finish MATH	Work on ELAR/READING Class in the morning	ELAR/Reading teachers available to assist through google meet Work on an ELECTIVE Class and finish ELAR/READING	Finish up any assignments to submit for the week

This is a copy of your schedule. Please read the description below to understand how your schedule works.

Mondays

Classroom assignments for the week are posted in your Google Classroom. Work on Math and Social Studies Classes for the day.

Tuesday

Tuesday is dedicated to hours with your Math and Social Studies teacher(s). If you have any questions, or if you need help in Math or Social Studies, this is time to reach out to your teacher. Your teacher has a Google Meet code that allows you to join him/her in the chat room. Your teacher can either answer your questions, or work with you one-on-one or in small groups. Your teacher can also be contacted through email or the google classroom at any time. When not working on Math or Social Studies, or if you finish early, then work on your elective classes.

8:30-9:30	Students can meet with Math teachers.
10:30-11:30	Students can meet with Social Studies teachers.
12:30-1:30	Students can meet with Math teachers.
2:30-3:30	Students can meet with Social Studies teachers.

Wednesday

Classroom assignments for the week are posted in your Google Classroom. Work on ELAR/Reading and Science Classes for the day.

Thursday

Thursday is dedicated to hours with your ELAR/Reading and Science teacher(s). If you have any questions, or if you need help in ELAR or Science, this is time to reach out to your teacher. Your teacher has a Google Meet code that allows you to join him/her in the chat room. Your teacher can either answer your questions, or work with you one-on-one or in small groups. Your teacher can also be contacted through email or the google classroom at any time. When not working on ELAR/Reading or Science, or if you finish early, then work on your elective classes.

8:15-9:00	Students can meet with ELAR/Reading teachers.
9:15-10:00	Students can meet with Science teachers.
12:30-1:30	Students can meet with ELAR/Reading teachers.
2:30-3:30	Students can meet with Science teachers.

Friday

This day is dedicated to making sure you have submitted all work for the week. If you have done so then you are done!! YAY!

Criteria for Progress	Grade
No evidence of work	0
Approximately 50% of work attempted online	50
Approximately 75% of work attempted online	75
80 to 100% of the work attempted online	100
