

Clint Independent School District

District Improvement Plan

2023-2024

Board Approval Date: July 25, 2023
Public Presentation Date: July 25, 2023

Mission Statement

The mission of the Clint Independent School District is to prepare all students to be successful citizens. The District will work in partnership with the community and the family to create opportunities for *the student* to maximize personal potential.

La mision del Distrito Escolar Independiente de Clint es de preparar a todos los estudiantes para que sean ciudadanos exitosos. El Distrito trabajara en conjunto con la comunidad y con la familia para crear oportunidades para que *el estudiante* desarolle su potencial personal.

Public Notification of Nondiscrimination

Clint Independent School District does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected characteristic, in its programs and activities, including employment opportunities as required by Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973. For information about your rights or grievance procedures, contact the District's Title IX Coordinator Rene Chavez at 14521 Horizon Boulevard, El Paso, Texas, 79928, (915) 926-4061 and/or Section 504 Coordinator, Rodrigo Herndandez at 14521 Horizon Boulevard, El Paso, Texas, 79928, (915) 926-4041.

Vision

Together... We Build Tomorrow!

CLINT INDEPENDENT SCHOOL DISTRICT

CORE VALUES

Committed to student success as a shared responsibility among students, parents, educators, the School Board and the community.

Learner-Centered by ensuring that all students receive quality teaching and engaging instruction.

Innovative in using global thinking and technology to empower students to become lifelong learners.

Nurturing by creating an educational environment where all students are socially and emotionally supported, safe and valued.

Transparent through open communication, leadership, accountability and integrity.

District Goals

2023-2024 Board Goals

1. The District will be a model of high standards for student academic excellence.
2. The District will ensure a safe, well-disciplined, positive learning environment for all students.
3. The District will operate efficiently being fiscally responsible.
4. The District will become the employer of choice in order to seek and retain effective personnel.
5. The District will include parents, community, and business members in the education of all students.

Clint ISD Centennial

The 2023-2024 school year marks a milestone in Clint ISD, **One Hundred Years** of being an accredited, credentialed institution. During the winter of the 1923-1924 school year, the inspectors from the then Texas State Board of Education accredited Clint High School enabling the school to issue diplomas as a credentialed state institution. This important step paved the way for the modern Clint ISD to be created in 1929, as we formally moved from a branch of the El Paso County Schools to our own Independent School District.

During 1924, Clint High School's first diplomas were issued to the four seniors of the Class of 1924. This was the first group of students who completed an accredited program outside of the City of El Paso. Fast-forward one-hundred years and Clint ISD has fourteen schools with over ten-thousand students, and annually eight hundred plus graduates. The leaders of Clint Public Schools could probably never envisioned the Clint ISD of today.

As we begin our Centennial Year, we are proud of the Innovation, rich traditions, and history that makes up Clint ISD. The future will bring more innovations, traditions and student successes. This year's theme is to Ignite new energy into the district, Inspire our staff and students to maximize their potential, and Innovate as we journey into our next one-hundred years.

The people who helped grow Clint ISD into what it is today truly exemplify the vision of ***Together...We Build Tomorrow!***

Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

A major part of the Comprehensive Needs Assessment (CNA), will be the ESSER Federal Grants for the next three years. Included in the CNA are the required annual components for the District Improvement Plan. Additional meetings and surveys were completed for the ESSER CNA. Throughout the Spring of 2021, Clint ISD gathered feedback for the use of ESSER funds and developed the ESSER Plan that was submitted to TEA. Throughout 2021-2022 and 2022-2023 the plan was revised and updated. Feedback was also gathered by the administration during the Summer of 2023 to update the plan. The ESSER plan is a working plan and the following tables show the overall plan and expenditures that the ESSER surveys/committee created for the district.

Priorities Based on Stakeholder Feedback

Assistance with Curriculum and Instruction:

<div> Assistance with Curriculum & Intervention to Address Learning Gaps  </div> <div> These activities will contribute to the 20% learning loss expenditure requirement. </div>	Activity	Description	Timeline	Estimated \$
	New Interventionist Teachers & Additional SPED Teachers	Core content interventionist teacher at each campus to assist with small group instruction, co-teaching, lesson planning, and RTI. Additional Special Education teachers based on students' IEPs.	2021-2022 2022-2023 2023-2024	\$2,730,000
	Equipment & Supplies for New Interventionist & SPED Teachers	Laptops and basic instructional materials for new staff.	2021-2022 2022-2023 2023-2024	\$46,000
	Tutoring Extra Duty Pay	Additional extra duty funds to compensate instructional staff for tutoring & enrichment outside of the normal school day.	2021-2022 2022-2023 2023-2024	\$1,260,000
	Dyslexia & Phonics Instructional Programs	District-wide dyslexia curriculum and training. Elementary phonics program.	2021-2022 2022-2023 2023-2024	\$433,000
				\$4,469,000

Social and Emotional Needs:

<div> Social Emotional Needs of Students and Staff & Parental Engagement  </div> <div> These activities will contribute to the 20% learning loss expenditure requirement. </div>	Activity	Description	Timeline	Estimated \$
	New SEL/PBIS Coordinator & Lead Teachers	A coordinator will be hired to lead and manage the SEL/PBIS program district-wide. Lead SEL/PBIS teachers at each campus will work closely with counseling staff and teachers to provide social emotional support to students, create and deliver SEL lessons, implement and monitor the PBIS system for all students to encourage positive behavior and enhance the school's culture.	2021-2022 2022-2023 2023-2024	\$2,790,000
	Additional Counseling Staff	Three crisis counselors will be hired to provide specialized student and staff support when a unique situation arises. Counselors will work with schools in a specific feeder pattern based on identified needs. In place of a SEL/PBIS teacher, the Clint ISD Early College will hire an additional counselor.	2021-2022 2022-2023 2023-2024	\$1,305,000
	SEL & PBIS Curriculum and Resources	District-wide SEL curriculum will be purchased and funding for supplies to implement a PBIS system will be provided. Laptops and basic instructional materials for new staff.	2021-2022 2022-2023 2023-2024	\$486,000
	After School and Saturday Extra Duty Pay	Additional extra duty funds to compensate instructional staff for SEL/PBIS activities outside of the school day which may include enrichment activities, clubs, school spirit activities, or emotional support groups.	2021-2022 2022-2023 2023-2024	\$1,260,000
				\$5,841,000

Well Supported Teachers and Staff:

<div>Well Supported Teachers & Staff through Safe Environments, Training & Compensation</div> 	Activity	Description	Timeline	Estimated \$
	Technology Coaches at Secondary Campuses	Addition of technology coaches at the middle schools and comprehensive high schools. Technology coaches will assist with professional development, implementation of instructional programs, and student lessons on digital skills and citizenship.	2021-2022 2022-2023 2023-2024	\$1,575,000
	Planning & Professional Development Extra Duty Pay	Additional extra duty funds to compensate instructional staff for lesson planning, curriculum mapping, and attendance of training outside of the normal school day.	2021-2022 2022-2023 2023-2024	\$856,000
	Health & Safety Supplies & Equipment	Continuation of available hand sanitizer, cleaning chemicals, and personal protective equipment.	2021-2022 2022-2023 2023-2024	\$330,000
	Retention Stipends	Two \$1,000 retention stipends for all full-time employees, and two \$500 retention stipends for all TRS eligible part-time employees (which includes part-time custodial staff and monitors). Employees will receive their first retention stipend on July 2, 2021 and the second stipend on December 17, 2021.	2021-2022	\$3,173,812
				\$5,934,812

District Shifts of Existing Funding:

<div>Shift of District Funds to ESSER</div> 	Activity	Description	Timeline	Estimated \$
	COVID-19 Mitigation	Partial replacement of HVAC units at schools in need of updated equipment. Continuation of PPE and cleaning material.	2020-2021 2021-2022 2022-2023 2023-2024	\$2,565,000
	Technology Equipment, Hotspots, Cyber Security, & Instructional Software	Continuation of Chromebook replacements, student laptop devices, hotspots, cyber security software, and various instructional software programs. <i>Shift of District Funds to ESSER</i>	2020-2021 2021-2022 2022-2023 2023-2024	\$2,202,100
	Intersession & Summer School	Funding for Fall and Spring Intersession and Summer School costs. <i>Shift of District Funds to ESSER</i>	2021-2022 2022-2023 2023-2024	\$3,000,000
				\$7,767,100

Activity	Description	Timeline	Estimated \$
Prior Year One-Time Payment	Reimbursement of August 2020 one-time payment to full-time and part-time staff members.	2020-2021	\$1,586,906
I-LEARN Equipment & Installation	Reimbursement of I-LEARN equipment including classroom panels, microphones, speaker, and installation.	2020-2021 2021-2022	\$5,000,000
COVID-19 Mitigation	Reimbursement of plasma air installation, cleaning supplies, equipment, desk shields, barriers, signage, PPE, etc. Reimbursement for part-time COVID-19 rapid testers.	2020-2021 2021-2022 2022-2023 2023-2024	\$1,512,046
Hotspots & Software	Reimbursement of partial hotspot costs that have not been covered by other grants, and NWEA Map Growth software.	2020-2021 2021-2022 2022-2023 2023-2024	\$330,000
			\$8,593,952

In conjunction with the ESSER Federal Grants, Clint ISD has been awarded the following federal grants to benefit a variety of needed areas this year:

2021-2023 Title I, 1003 ESF-Focused Support Grant

2021-2023 Nita M. Lowey 21st Century Community Learning Centers (CCLC) Grant

2021-2023 Texas Education for Homeless Children and Youth (TEHCY) Grant

These grant funds will provide the financial opportunity to support targeted activities in the following areas: Student academic outcomes, building of teacher and leadership capacity, providing access to enrichment programs, services and supports for students who are coded Homeless, supplemental instructional materials, extra duty pay for instructional staff, hiring of professional staff and professional development at both the district and campus levels.

Individual needs assessments, data collection and proposed renewal of grant awards is required to be submitted to TEA at the end of each year.

Texas COVID Learning Acceleration Supports (TCLAS)

Texas COVID Learning Acceleration Supports (TCLAS) is a set of funding and targeted supports available to Clint ISD and other Local Education Agencies (LEAs) to accelerate student learning in the wake of COVID-19, utilizing state and federal funds. In order to address the impact of the COVID-19 pandemic on students Clint ISD will need support within the following areas of need.

- Strategic planning and performance management to prioritize, launch, and continuously improve learning acceleration strategies
- Rigorous, high-quality instructional materials designed to make up ground and master grade-level TEKS
- Talent pipelines that support teachers to deliver excellence in the classroom, getting more than 1 year of growth in 1 year
- More time for the students in most need, including expanding instructional time in the summer and after school with targeted tutoring
- Innovative school models to incorporate all of the learning acceleration frameworks

Within each area, an LEA selects specific supports of interest aligned with 10 key decision points:

Strategic Planning	Instructional Materials	Teacher Pipelines	More Time	Innovative School Models
Decision 1: LEA Accelerated Learning Strategic Planning	Decision 2: HQIM Core Approved Products Decision 3: HQIM Supplemental Approved Products	Decision 4: Teacher Recruitment Support Decision 5: Residency Program Support	Decision 11: Afterschool Program	Decision 9: P-TECH
Similar TEA Initiatives: <ul style="list-style-type: none">• Resilient School Support Program (RSSP)	Similar TEA Initiatives: <ul style="list-style-type: none">• Texas Home Learning (THL) / CRIMSI• Math Innovation Zones• Dyslexia Tools• Phonics Reading System• College Prep Course	Similar TEA Initiatives: <ul style="list-style-type: none">• Grow Your Own (GYO)• Teacher Residencies	Similar TEA Initiatives: <ul style="list-style-type: none">• Additional Days School Year (ADSY)• Vetted Texas Tutor Corps	Similar TEA Initiatives: <ul style="list-style-type: none">• PTECH• Texas Regional Pathways Network• School Action Fund (SAF)

The following supports were identified by Clint ISD to address the needs of students aligned to the above-mentioned decision points.

Decision 1: LEA Accelerated Learning Strategic Planning

Decision 1a: Clint ISD will designate an RSSP Learning Acceleration Team focused on strategic planning, implementation, measurement planning, and goal setting.

- Analyze data & understand needs
 - Identify strategies and cohere priorities
 - Set goals and measurement strategies
 - Make implementation plans
 - Invest stakeholders
- Decision 1b: The Data Fellow will commit to delivering the data tools, systems, and protocols provided via RSSP Data Fellowship's professional learning community support. The Data Fellow will commit to RSSP network events and supports

Decision 2: HQIM Core approved products implementation and professional learning.

- Decision 2a: Implementation support and professional learning partnership with TEA-approved technical assistance provider.
- Decision 2b: Clint ISD will be receiving print materials to support the implementation of HQIM in the area of mathematics.
- Decision 2c: Clint ISD may access funds to hire math and literacy coaches at elementary schools using products on the state-approved list.

Decision 3: Decodable Texts for Learning to Read

- Decision 3c: Through TCLAS Clint ISD will receive access to Learning Dynamics Virtual Learning Site which includes:
 - Program introduction videos/training modules for parents/caregivers and educators.
 - Virtual lessons for students
 - Decodable book “read along” interactive videos for students
 - Ability to print lesson manuals, full-color books, student activity books, and flashcards

Decision 4: Grow Your Own will facilitate increased entry of qualified, diverse candidates into the teaching profession, particularly in rural and small school settings by

- Decision 4a: providing supports for paraprofessionals to become certified teachers
- Decision 4b & 4c: elevating the perception of the teaching profession through the expansion of high-quality Education and Training (E&T) courses at the high school level. Support eligible campuses to plan to establish the foundational elements of a P-TECH program and then implement and serve students in chosen pathways

Decision 5: Residency Program

- Decision 5a & 5b: Implement paid teacher residencies in partnership with a high-quality educator preparation program
- Decision 5c: Implement innovative staffing models to sustainably fund teacher residencies and build educator pipelines

Decision 9: P-TECH to provide a smooth transitional experience for students from high school to postsecondary education and employment.

- Support eligible campuses to plan to establish the foundational elements of a P-TECH program and then implement and serve students in chosen pathways
- Provides students both tuition-free college classes and work-based training
- Provides students the opportunity to earn 60 hours of college credit, an industry certification, and an associate degree while attending high school

Decision 11: High-Quality After-school program design and implementation that accelerates learning by:

- Providing a safe and healthy environment after the school day for all students at no cost to students
- Enabling access to adults trained to build academic and non-academic skills within local communities
- Including themes and activities based in student interests and needs that are both academic and enriching
- Delivering targeted academic support aligned with individual student needs, high-quality curriculum and instruction, and the regular school day. This academic support prioritizes High-Impact Tutoring (HIT) which goes beyond the learning acceleration requirements of HB 4545.

Progress Measures and Evaluation

Decision 1: LEA Accelerated Learning Strategic Planning and implementation will be monitored through the utilization of the following measures.

- Analyze student data stakeholder input to identify needs utilizing the data fellow dashboard and district assessment platforms
- NTC learning walks (ESF/RSSP)

- Data Fellow dashboard for district data

Decision 2: HQIM Core approved products implementation and professional learning.

- Technical service provider walks
- T-TESS Observations
- Implementation of resources in PLCs
- Local and State assessments for mathematics
- Usage reports

Decision 3: Decodable Texts for Learning to Read

- Implementation walks
- Feedback

Decision 4: Grow Your Own will facilitate increased entry of qualified, diverse candidates into the teaching profession, particularly in rural and small school settings.

- Number of paraprofessionals that receive their teaching certification
- Number of high school students that complete the 4 year program as outlined by the district

Decision 5: Residency Program

- Number of residents hired by the district
- Number of residents that complete their residency training
- Number of residents hired by the district as full-time instructors
- UTEP/US PREP data cycles
- Instructional Walks

Decision 9: P-TECH to provide a smooth transitional experience for students from high school to postsecondary education and employment.

- Number of participants that receive their dual-credit certification
- Number of dual-credit courses offered by the district
- Number of students completing dual-credit courses

Decision 11: High-Quality After-school program design and implementation that accelerates learning by:

- Progress monitoring of data by the after-school program project lead
- Scores on HQIM assessments and programs

- Local and State assessment scores
- Participation Rates

Demographics

Demographics Summary

Clint ISD had the following demographic information:

Economically Disadvantaged 2022-2023

071901 CLINT ISD	Eligible For Free Meals		Other Economically Disadvantaged		Total Economically Disadvantaged		Not Economically Disadvantaged		Total Count

Male	5,291

SPED Student Enrollment 2022-2023

Clint ISD (071901)	Primary Disability										
	OI	OHI	AI	VI	ID	ED	LD	SI	AU	TBI	NCEC
	N/A	124	15	13	129	47	665	202	120	N/A	14

From the charts above, it is apparent that Clint ISD has many challenges in the population we serve. First and foremost, Clint ISD assures all of our students have healthy meals as a Provision II school district offering breakfast, lunch and dinner most days to our students. We offer these services due to the fact that over 81% percent of our students are Economically Disadvantaged and over 66.1% of our students are label as “At-Risk” by the Texas Education Agency. Finally, 42% percent of our students are Emergent Bilingual Students. This has increased by 8%. Daily, Clint ISD works diligently to place our students on the road to graduation, but has many obstacles. Despite the barriers, Clint ISD has a proven track record of helping our students successfully graduate and be career and college ready.

Demographics Strengths

Clint ISD Graduation Rate 2016-2022

Clint ISD Students are 83% Economically Disadvantaged but still have met the standards on all Domains. Specifically Post-secondary readiness is a strength as well as the graduation rates. The strong graduation rates despite the high number of At-Risk and Economically Disadvantaged numbers indicate that the achievement gap is being narrowed by the time students graduate.

The chart reflects the increase of the Graduation rate over the last seven years.

<i>Class</i>	<i>State Average</i>	<i>Regional Average</i>	<i>District Average</i>
2023	<i>N/A</i>	<i>N/A</i>	96.7%
2022	N/A	N/A	98.0%
2021	94.2%	93.4%	97.1%
2020	91.0%	88.4%	93.6%
2019	92.0%	90.0%	95.8%
2018	94.0%	93.7%	96.3%
2017	89.7%	86.5%	96.7%
2016	89.1%	85.7%	91.8%

The 2022 and 2023 graduation rates are still projections. The 2022-2023 rate will change with summer and fall graduates.

Attendance/Drop-out Rate

Clint ISD's annual dropout rate still remains below the state and regional averages. Attendance Rates are well above state averages. However, attendance for the end of 2022-2023 fell below our normal rate.

Annual Dropout Rate (Gr 7-8)			
2020-21	0.9%	0.6%	0.0%
2019-20	0.5%	0.5%	0.1%
Annual Dropout Rate (Gr 9-12)			
2020-21	2.4%	2.6%	1.1%
2019-20	1.6%	1.7%	1.2%

Attendance Rate			
2020-21	95.0%	96.4%	97.7%
2019-20	98.3%	98.0%	99.0%

Problem Statements Identifying Demographics Needs

Problem Statement 1: EB Students have are still a high percentage of 42% of the population. **Root Cause:** Students are not transitioning our of the bilingual program. Dual Language Program is being implemented.

Problem Statement 2 (Prioritized): At Risk Students at 63% of the total population. **Root Cause:** Students in special populations passing rates on the STAAR do not match their peers.

Problem Statement 3 (Prioritized): Special Education Numbers increased requiring more programs and staff. **Root Cause:** Changes to the identification protocols implemented by TEA.

Problem Statement 4 (Prioritized): Special Education students, have progressed, but are still scoring below the other sub-populations. **Root Cause:** Special education students have large gaps that continue to need to be addressed.

Problem Statement 5 (Prioritized): 94% of students who are coded EB/ESL/Bilingual have been in US schools 3+ years. **Root Cause:** There Bilingual and ESL Program

continues to be aligned.

Problem Statement 6: Data shows that EB students are not exiting the Bilingual and ESL Program. **Root Cause:** Dual Language program is still being aligned Bilingual/ESL Program.

Problem Statement 7 (Prioritized): Students must show progress annually to be successful. Accelerated instruction must be provided. **Root Cause:** Not all students progressed during 2022-2023 caused other students to have a gap.

Student Learning

Student Learning Summary

STAAR Administration

Below is a recap of the students who did complete the STAAR exams by level. For 2022-2023, TEA issued new question types on the assessments; each item type could be weighted differently. TEA will not issue the final passing standards until late August 2023. We are using data from TEA that specifies if a student is likely to pass or may pass. As the data is provided by TEA, we will update the DIP and plans for student support.

Student Learning Strengths

Clint ISD improved overall on the Career College and Military Readiness rating. CCMR will have an increase in 2022 and 2023. All campuses will be above 90% from the Class of 2023.

Campus	2016 2017 CCMR	2017 2018 CCMR	2018 2019 CCMR	2019 2020 CCMR	2020 2021 CCMR	2021 2022 CCMR	2022 2023 CCMR

New for 2022-2023 Career and Technical Education Comprehensive Needs Assessment

Our district serves approximately 10,663 students of which 3,558 students are enrolled in grades 9-12. At Clint ISD our grade alignment for secondary campuses are grades 9-12 throughout our three high schools and one early college academy. We offer 11 Career Clusters and 24 Programs of Study in our district. We are well above the recommended 4 programs of study for an LEA high school enrollment of 2,001 – 5,000 of students. We currently have 3,180 students participating in CTE programs. Since 2018-19 we have increased the number of programs of study offerings from 21 to 24.

As a district, we have shown progress over the last couple of years increasing opportunities for our students to participate in work-based learning. Since 2017-18, we have expanded our Practicum course offerings by three programs of study: Dental II, Patient Care Technician, and Pharmacy Technician. We have increased enrollment in our Practicum/Extended practicum courses from 22 students in 2017-18 to 63 students this year. We work closely with El Paso Community College (EPCC) to identify opportunities for student to complete advanced academic courses. Currently our district offers Advanced Placement opportunities such as AP Computer Science at all three high schools and at our early college academy. Dual Credit attainment is available both on-line and face-to-face instruction through EPCC.

Though our Career and Technical Education programs, we serve close to 2,800 students in grades 6-12 offering work-based learning experiences that help our students connect school experiences to real-life work activities and future career opportunities. The Board of Trustees has asked the District leadership to expand career pathway options for students, which is steadily increasing year to year. This coming school year, 2021-2022, we will have Pathways in Technology Early College High School (P-TECH) at all comprehensive high schools allowing students an opportunity to receive both a high school diploma and a credential and/or an associate degree.

The top career clusters with occupations that meet the state and/or regional definition of “in-demand” and “high-wage” are the following:

In the Borderplex Workforce Development Area (10) Labor Market Information, 2016 – 26 shows Science, Technology, Engineering and Mathematics career cluster as #1 with a 39% growth rate in Biomedical Science. #2 career cluster is Hospitality with a 27% growth rate in Culinary Arts. Human Services career cluster ranks #3 with Massage Therapist at a 29% growth rate. #4 Career cluster is Information Technology with a 37% growth rate in Web Development. The Borderplex Workforce Labor Market Information aligns closely to the State LMI data with listing Information Technology as the #2 Career Cluster followed by #3 Hospitality and Tourism and #4 Science, Technology, Engineering and Mathematics career cluster. The #1 career cluster according to the State LMI is Health Science with a 45% growth rate in Healthcare Therapeutic.

Top Priorities for CTE:

1) Increase the number of CTE Learners taking and passing industry-based certifications and licensure exams with a focus on special populations groups – Individuals with Disabilities and English Learners.

- 2) Creation and maintenance of P-TECH programs at the three comprehensive high schools.
- 3) Align CTE instructional practices with regular education instructional practices. Provide training and teacher support for implementation of said practices.
- 4) Increase the opportunities for student work-based learning experiences.

Clint ISD continues to offer Career and Technical Education students the opportunity to gain industry-based certifications and licenses; only the certifications reported to the state align with the A-F Accountability rating system as listed. Our Career and Technical Education teachers worked diligently with students on campus and helped them prepare for their certification and license exams which accounts for a slight increase in numbers from last year.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Students must show progress annually to be successful. Accelerated instruction must be provided. **Root Cause:** Not all students progressed during 2022-2023 caused other students to have a gap.

Problem Statement 2 (Prioritized): Special Education students, have progressed, but are still scoring below the other sub-populations. **Root Cause:** Special education students have large gaps that continue to need to be addressed.

Problem Statement 3 (Prioritized): Teacher utilization of HQIM is not at 100%. **Root Cause:** Vertical alignment of a lesson cycle in the classrooms across the district continues to be a focus through the utilization of the TEKS Resource System, pacing guides, and scope and sequence. Lack of fidelity to HQIM.

Problem Statement 4 (Prioritized): Student passing rates on the STAAR Exam are not above the state rates in all tested areas. **Root Cause:** The use of high quality instructional materials is not uniform across the district.

Problem Statement 5 (Prioritized): 94% of students who are coded EB/ESL/Bilingual have been in US schools 3+ years. **Root Cause:** There Bilingual and ESL Program continues to be aligned.

Problem Statement 6: Not all students have access to the Internet for remote learning programs and the district will need to support them. **Root Cause:** Many families cannot afford Internet access

Problem Statement 7 (Prioritized): CTE Programs need to continue to expand to align with the community job needs. **Root Cause:** Community needs have changed

Problem Statement 8: EB Students have are still a high percentage of 42% of the population. **Root Cause:** Students are not transitioning our of the bilingual program. Dual Language Program is being implemented.

Problem Statement 9 (Prioritized): At Risk Students at 63% of the total population. **Root Cause:** Students in special populations passing rates on the STAAR do not match their peers.

Problem Statement 10 (Prioritized): Special Education Numbers increased requiring more programs and staff. **Root Cause:** Changes to the identification protocols implemented by TEA.

District Processes & Programs

District Processes & Programs Summary

2022-2023 Accountability

For 2022-2023, the state adjusted accountability standards and included new item types on all levels of the STAAR assessments. In order to assess the gaps that student may have, we will be using a growth measure program developed through NWEA and other assessments. The NWEA MAP program will evaluate students at the beginning, middle and end of year to determine skills and content levels. This data can guide instruction and will be available for ELAR and Math - Grades K-10 and Science 5th and 8th. This support will help teachers identify student academic needs that have occurred as gaps have been created. Elementary campuses will be using other screeners and programs to identify and eliminate learning gaps. Early literacy and math assessments will be used in grade levels where the MAP is not administered.

New Teacher Academy Program

During the 2022-2023 school year, Clint ISD used the New Teacher Center Coaching Model. The program entails providing dedicated support for teachers through a mentorship and coaching model. Teachers are tiered based on their experience and provided supports by the staff. The purpose of the program is to retain teachers in the first few years of their teaching careers through designated supports. There were many new teachers who were hired during the pandemic due to illness or retirement. The NTA program was utilized to support all new staff hired throughout 2022-2023. The need to have dedicated staff to support these teachers throughout the year is a priority. Staff to support elementary, middle and high school teachers helps with expertise in all areas. A dedicated mentor coordinator for each level is needed.

The breakdown of teachers by years of experience is below:

Teachers by Years of Experience:				
Beginning Teachers	33.5	4.9%	29,215.8	7.9%
1-5 Years Experience	217.4	31.6%	98,764.8	26.7%
6-10 Years Experience	142.4	20.7%	76,197.2	20.6%
11-20 Years Experience	219.0	31.8%	105,811.4	28.6%
21-30 Years Experience	70.7	10.3%	48,804.6	13.2%
Over 30 Years Experience	6.0	0.9%	10,902.0	2.9%
Number of Students per Teacher	15.2	n/a	14.6	n/a

The following chart shows the retention of teachers who completed the NTA during 2022-2023:

Overall - 88% retention among Pathways 1-2 teachers

Pathway 1	Pathway 2
65 teachers 6 resigned	81 teachers 11 resigned
91% retention	86% retention

Exclusions - 93% retention among Pathways 1-2 teachers

Pathway 1	Pathway 2
65 teachers 3 resigned	81 teachers 7 resigned
95% retention	91% retention

The following chart shows the program aspects:

New Teacher Academy Targets

Solution	Audience	Benefits
Teacher Induction	New Teachers	Improved student achievement, increased new teacher effectiveness and retention, reduced district recruiting costs, and expanded teacher leadership opportunities.
Instructional Coaching	All Teachers	Improved student achievement, elevated instructional practice, increased educator effectiveness, and expanded teacher leadership opportunities.
Early Learning	Early Childhood and Elementary Instructional Leaders	Improved program quality, deepened understanding of teaching and learning best practices to support young learners, and alignment across early childhood and elementary practice.

Solution	Audience	Benefits
School Leadership	School Leaders, District Leaders, Teacher Leaders	Improved student learning, improved teacher effectiveness, and expanded teacher leadership opportunities. Networked leaders aligned to common district instructional vision.

The NTA Program continues to show a high retention of teachers year after year. There is an increased number of retirements from teachers who probably would have taught longer but have retired earlier.

Support Programs

All campuses received an Interventionist to support student learning needs, and all campuses were allocated a PBIS/SEL lead to support the social and emotional learning needs of students that have arisen from the pandemic. Secondary campuses received new FTE's for technology coaches. Across most campuses, special education programs added FTE's to accommodate all IEP requirements. The addition of several new FTE's necessitated the need to add an additional SEL Coordinator at the District level. All new staff will be coached using the Mentor Coordinators and the NTC program. The Mentor Coordinators are part of the TPTR grant to retain teachers and is part of our District of Innovation Plan. Also, to support teachers with their T-TESS, a dedicated Director of Teacher Support has been added to provide professional development to all staff.

English Learner Needs

Bilingual and ESL Students are not showing to exit the program. The data tables show that students remain in the program at high numbers due to the lack of improvement.

Grade	Students in US Schools by Year
3rd	94%
6th	91%
9th	80%

The District will continue the process of training staff to implement the Dual Language program for all elementary grade levels. Professional development and implementation processes will be put in place to address the need to align the program. All elementary bilingual teachers will be trained in the Dual Language program throughout the school year to further align the program.

I-LEARN Technology

Clint ISD has installed a robust computer/audio visual/sound system in all classrooms. The learning model requires us to grow our teachers and improve their instructional practices. The ILEARN equipment will also us to record teachers lessons and use a coaching tool. The use of software will assist us with growing our teachers. The district will purchase software to enable teachers to record their lessons and having coaching points for those recorded lessons.

ESSER Funding Meetings

Clint ISD staff conducted meetings throughout the Summer of 2022 to update the ESSER spending plan. Attached is a timeline of events and the stakeholders involved.

District Robotics

The district robotics program is a supplemental program that provides students the ability to enhance their academic understanding of STEM concepts through the engineering design process, computational thinking and innovation. The district has re-aligned the program from PK-12th grade with support from and a partnership with the Robotics Education and Competition Foundation. The program uses approved robotics equipment from VEX Robotics. PK - 2nd Grade students use VEX 123 robots, students in grades 3-4 use VEX GO, 5-8 VEX IQ, 9-12 VEX VRC. Data gathered shows an increase in the number of students interested and participating. Research connected with these programs shows improved student application of STEM concepts and better performance on state and local assessments from participants.

District Processes & Programs Strengths

Instructional Program

At the cornerstone of our instructional plan is the continued use of an aligned curriculum TEKS Resource System (TRS), district created pacing guides, and new math scope/sequence. TRS is a partnership of many regional service centers, districts, and teachers to take the Texas State Curriculum, the TEKS, and enhance the objectives with lessons, a teaching flow, vocabulary, and assessments. Currently, many school districts across the state, including many locally are using the curriculum product. The TRS curriculum is online based and continually being updated which requires frequent updates. To ensure that the TEKS are implemented on grade level. Clint ISD has implemented the High Quality Instructional Materials (HQIM) from the state in the four content areas. The curriculum that is used is on grade level and uniform across the District. Coupled with a well aligned curriculum the use of assessments to determine if that curriculum is being taught and the level of student learning. The bench-marking program consists of two main initiatives – a well planned curriculum and assessments which check the mastery of that curriculum. The TRS curriculum is a breakdown of every TEK that must be taught for every subject at every grade; the benchmarks are the assessments that evaluate the student achievement in the content. The two act as a guide for teachers to reteach content that students did not master. TRS allows teachers to follow the content that needs to be taught and the benchmark allows the teacher to see where students need assistance. Considerable resources are utilized to review the scope and sequence. Ensuring that the curriculum in Clint

ISD is aligned with TEA accountability and college and career readiness is also important and a strength. Continuing to offer college readiness programs is vital to student success especially based on our high At-Risk population. This district will also move to a 4-9 Common Assessment program in which we will have formative assessments for students at these intervals. Clint ISD will also utilize the MAP program through NWEA to identify student skills and content levels for teacher instructional supports.

District Committees and Operations

The District has many layers of organization support that meet on a regular basis. The Campus Principals and Assistant Principals have monthly meetings in which they are provided professional development, instructional focus and best practices. An additional focus for 2022-2023 is the inclusion of the Instructional Leadership Team which meets monthly with all Principals, Assistant Principals, and Instructional support staff. This district team reviews the progress towards our goal of surpassing the state on every area of the STAAR. The District Site Based Decision Making Committee meets four times a year to create the Campus Improvement Plan, review data and advise the Superintendent. This committee also approves all requests for waivers and reviews the bond projects. The Superintendent's Cabinet has regularly scheduled meetings in which the District's leadership develops and implements the District's strategic plan both instructionally and operationally. The Superintendent's Parental Advisory Committee or Super PAC advises the district on concerns/issues they may have. This committee also receives information about district programs and events. Coupled with the Super PAC is the Super SAC, of Superintendent's Student Advisory Committee. This committee also advises the superintendent from a students' point of view. An integral part of the District's operations is the use of technology, automation, and online tools. The Stakeholders have ways of reporting issues, gathering information, and corresponding with district staff.

District of Innovation

Clint ISD will start its sixth year as a District of Innovation., the District appointed a District Advisory Committee to create a plan under the District of Innovation guidelines. The District Advisory Committee updated the District of Innovation Plan to ensure the District can meet its vision and goals in addition to the areas on the state's accountability standards, enhance opportunities for students, and create additional supports for them as well. The plan that follows was developed to support innovation and initiatives that benefit students, staff, parents, and the broader community. The following exemptions were sought to assist the District and the organization with meeting our vision and goal.

1. First Day of Instruction - §25.0811
2. Professional Development - §21.452 and §21.458
3. Minimum Attendance for Class Credit or Final Grade - §25.092
4. Student/Teacher Ratios and Class Size - §25.112, §25.113
5. CTE/Miner Residents Teacher Certification

The committee approved to unanimously adopt the District of Innovation plan renewal. The plan presented to the Board on May 24 and approved on June 23. The plan is being amended for 2023-2024 to include teacher certification protocols for staff who completed the Miner Residency program and are still in the process of becoming state certified. The plan includes the continuation of the New Teacher Mentor Coordinator program. This program enables staff to utilize the protocols of the New Teacher Center to provide coaching for new staff

ensuring their continued success in the profession. The three mentor coordinators assist teachers daily through this research based coaching model.

Strong Foundations Program

The Strong Foundations Grant Program (Texas Education Code, 29.0881) was established through House Bill 4545, 87th Texas Legislature, 2021, and offers K–5 Math & Literacy comprehensive Tier 1 instructional supports, including curriculum, instructional leadership, and planning supports.

Through the **Strong Foundations Planning** grant, local education agencies receive support to develop a strong instructional framework in math or literacy, provides optional adoption supports in selecting new HQIM, if LEAs choose to make a materials switch, and training to support creating systems to effectively manage instruction at the district level. Clint ISD requested support for developing a literacy framework that identifies the vision for teaching literacy with the HQIM and the necessary components to ensure that our teaching is effective and we have evidence of improved student literacy.

Early Education

TEA has provided every district with an Early Education allotment to support the teaching and learning of early reading and math in grades PK-3 in an effort to ensure students have a solid foundation in reading and math prior to reaching 4th grade. The following will be implemented to support these goals:

- Reading Academies for all teachers (PK-3) and Elementary Principals.
- Math Academies for all teachers (PK-3)
- Implementation of a state approved comprehensive phonics program.
- Full Day Pre-K
- Resources for Digital Learning
- Progress Monitoring/Goal Setting

Dual Language Program

Clint ISD began implementing the Dual Language program in 2020-2021. This program will allow students to be instructed in English and Spanish at the same time. The students will have instruction from two teachers. One will provide instruction in English and the other instruction in Spanish. The resources, training and monitoring will be implemented throughout the summer and during the entire school year.

Student Support and Academic Enrichment - Robotics

Clint ISD will continue implementation of a district-wide PK-12 robotics program. Robotics is an interdisciplinary branch of engineering and science that includes mechanical engineering, electronic engineering, information engineering, computer science, and others. Robotics deals

with the design, construction, operation, and use of robots, as well as computer systems for their control, sensory feedback, and information processing. An integral part of the robotics program is the computer programming activities in which students must write programs for their robots to perform specified tasks, introducing them and further developing their skills in computer science. In a school setting, students that participate in robotics learn the engineering design process and use problem solving, reading, math, technology, and other subjects to create and program robots. Not only do students complete a project, they compete and travel to develop their problem-solving skills. Participation in competitive robotics not only fosters further development of STEM education, but also encourages important life skills like teamwork, communication, and project-based learning. Travel to events provides students with an opportunity to see other schools, learn other design techniques, and interact with different student groups. Competition provides students with an avenue to work collaboratively to solve real time problems in diverse settings. In addition to engineering skills, students gain additional college and career readiness skills such as, perseverance, collaboration, project resource management, presentation skills, good sportsmanship, and critical thinking. Each year the district consistently advances teams to state and world competitions.

Student Support and Academic Enrichment - Health & Wellness/Safe & Healthy Students

Clint ISD will implement supplemental professional development for all PE instructional staff this year. In order to support the Intent and Purpose of ESSA funding, Title IV, Part A, Subpart 1, the District will continue to build the capacity of staff to improve school conditions for student learning including ways to integrate health, wellness and safety practices into school or athletic programs. Clint ISD will also implement school safety initiatives aligned with the SRO program by implementing campus programs that educate students, parents and families on how to respond to a school safety incident, along with preventive measures to remain safe while at school. Along with scheduled drills and informational meetings, grant funds will be used to support school safety initiatives district-wide.

Safety and Support

For the safety and support of our campuses, Clint ISD and the El Paso County Sheriff's Office have participated in a grant funded through the U.S. Department of Justice, Office of Community Oriented Policing Services (**COPS**). The grant has enabled Clint ISD to have law enforcement officers take an active role in providing a law enforcement presence at our schools. Clint ISD annually funded a portion of the Sheriff's salary and the grant funded the rest. The SRO's have been an active force in ensuring the safety of our students/staff and have also performed outside their traditional role by conducting classroom presentations on a variety of subject matters. The officers also assist with donations for our Communities in Schools program, as well as counsel students and work with parents to support their parenting skills. For 2023-2024, limited grant funds are again available and Clint ISD is funding the majority program to have 10 to 12 SRO's daily in the District. The District SRO's also conduct presentations for our students the following:

- The effects of drugs and alcohol
- Bullying and cyberbullying
- Internet safety
- Sexting
- Dating violence

- Assaults
- Stranger danger (for elementary students).

Problem Statements Identifying District Processes & Programs Needs

Problem Statement 1 (Prioritized): The need for uniformed officers continues to be a focus at our campuses. The state now requires all campuses to have an armed officer. **Root Cause:** The potential attack from outside individuals remains a threat.

Problem Statement 2: The need for extra support of new staff requires to continue to provide interventionists at all campuses. **Root Cause:** I-SUPPORT plans will be put in place to strengthen content knowledge of students.

Problem Statement 3: The New Teacher Academy requires additional training in their protocols. **Root Cause:** Staff have been hired/added who have not been trained.

Problem Statement 4: Data shows that EB students are not exiting the Bilingual and ESL Program. **Root Cause:** Dual Language program is still being aligned Bilingual/ESL Program.

Problem Statement 5: Students have learning gaps identified from STAAR exams and district assessments **Root Cause:** Many students in remote learning developed gaps in instructional content

Problem Statement 6 (Prioritized): TEA has set expectations for all school districts to set clear early learning goals for students in grades PK-3 in the areas of Math and Reading. **Root Cause:** Not all students entering 4th grade are on grade level in the areas of Reading and Math.

Problem Statement 7 (Prioritized): Students must show progress annually to be successful. Accelerated instruction must be provided. **Root Cause:** Not all students progressed during 2022-2023 caused other students to have a gap.

Problem Statement 8: Student and community interest in robotics, innovation and stem education has increased. More students are needing to be served by the program. **Root Cause:** Robotics program has experienced a good amount of success in garnering support and developing pathways to support TA TEKS implementation, STEM Education and vertical alignment to CTE pathways.

Perceptions

Perceptions Summary

Clint ISD has adopted and embraced the Core Leadership Values.

CLINT INDEPENDENT SCHOOL DISTRICT CORE VALUES

Committed to student success as a shared responsibility among students, parents, educators, the School Board and the community.

Learner-Centered by ensuring that all students receive quality teaching and engaging instruction.

Innovative in using global thinking and technology to empower students to become lifelong learners.

Nurturing by creating an educational environment where all students are socially and emotionally supported, safe and valued.

Transparent through open communication, leadership, accountability and integrity.

The expectation of all staff is to focus on these instructional Core Values.

District Committees and Operations

The District has many layers of organization support that meet on a regular basis. The Campus Principals and Assistant Principals have monthly meetings in which they are provided professional development, instructional focus and best practices. An additional focus for 2022-2023 is the inclusion of the Instructional Leadership Team which meets regularly with all to improve instruction in partnership with Principals, Assistant Principals, and Instructional support staff. This district team reviews the progress towards our goal of surpassing the

state on every area of the STAAR.

The District Site Based Decision Making Committee meets four times a year to create the Campus Improvement Plan, review data and advise the Superintendent. This committee also approves all requests for waivers and reviews the bond projects. The Superintendent's Cabinet has regularly scheduled meetings in which the District's leadership develops and implements the District's strategic plan both instructionally and operationally. The Superintendent's Parental Advisory Committee or Super PAC advises the district on concerns/issues they may have. This committee also receives information about district programs and events. Coupled with the Super PAC is the Super SAC, of Superintendent's Student Advisory Committee. This committee also advises the superintendent from a students' point of view. An integral part of the District's operations is the use of technology, automation, and online tools. The Stakeholders have ways of reporting issues, gathering information, and corresponding with district staff.

CALL Survey's

CALL is an online confidential and anonymous survey and feedback system. A CALL subscription provides: access to survey, multiple administrations of survey, feedback report, implementation support, and post-implementation support. Training support: Access to video tutorials, administration guides, and introductory materials. For 2023-2024 campus will use the CALL Survey data and process to develop strategies aligned with the ESF/EDF Levers.

Domain 1: Focus on Learning ESF

1.1 Maintaining the schoolwide focus on learning	1.1 & 1.2
1.2 Recognition of formal leaders as instructional leaders	1.1 & 1.2
1.3 Collaborative design of integrated learning plan	1.1, 1.2, 4.1, 5.1
1.4 Providing appropriate services for students who traditionally struggle	5.1 & 5.4

Domain 2: Monitoring Teaching and Learning ESF

2.1 Formative evaluation of student learning	5.3
2.2 Summative evaluation of student learning	5.3
2.3 Formative evaluation of teaching	5.2
2.4 Summative evaluation of teaching	5.2

Domain 3: Building Professional Community ESF

3.1 Collaborative schoolwide focus on problems of teaching and learning	1.2 & 3.1
3.2 Professional learning	1.2, 4.1, 5.1
3.3 Socially distributed leadership	1.1 & 1.2
3.4 Coaching and mentoring	5.2

Domain 5. Establish a Safe and Effective Learning Environment ESF

5.1 Clear, consistent, and enforced expectations of student behaviors	Lever 3
5.2 Clean and safe learning environment	Lever 3
5.3 Support services for students who traditionally struggle	5.4 MTSS

The domains of the CALL survey begin with the research in school leadership practices, but the need to specify each task down to classroom practices means that the knowledge needed to inform the item design stretched far beyond the domain of traditional leadership work into areas such as school-community relations, special education, data-driven decision-making, formative feedback, accountability policies, restorative justice, strategic planning, and many more areas relevant to the day-to-day practices of school improvement.

Attendance Rate

Clint ISD's Attendance Rate was 93.19% 2022-2023. The targets will be closely monitored in 2023-2024 to ensure we have over 96% attendance.

Perceptions Strengths**Clint ISD Supports and Service**

Students in Clint ISD have a smaller teacher to student ratio than our neighboring Districts. Our Treat Every Student Like a VIP begins with lower class sizes to support our students instructionally. Clint ISD also has two counselors at most campuses and the Communities in Schools Program to support students. During 2020, the District has implemented the Nearpod SEL program to assist our students with having social emotional learning (SEL) supports. A SEL/PBIS lead teacher will be provided to each campus to support students social and emotional needs

and a dedicated curriculum has been purchased to supplement the Nearpod SEL modules.

The District has a customer service protocol in which all stakeholders are treated with respect and diligence. The District has had a dedicated support staff member to work with parent's who have concerns. Concerns are addressed immediately and the administration monitors all concerns. Furthermore, the District's leadership from Superintendent to Cabinet, meet with parents on a regular basis to support their needs.

Clint ISD has average class-load in alignment the state averages which the chart indicates.

Class Size Information	District	State
Elementary:		
Kindergarten	18.5	17.7
Grade 1	19.3	18.0
Grade 2	20.1	18.0
Grade 3	20.1	18.2
Grade 4	20.8	18.3
Grade 5	20.6	19.8
Grade 6	17.4	19.4
Secondary:		
English/Language Arts	16.7	15.7
Foreign Languages	23.1	17.8
Mathematics	16.9	16.9
Science	18.6	17.9
Social Studies	19.1	18.3

Accelerated Learning

During the 2023-2024 school year, all students will be learning in the school learning environment and campuses will provide supports through the Accelerated Learning program. Elementary and Middle school students who did not pass or take the STAAR exam must also have targeted interventions for all STAAR exams that they did not score at least Approached Grade Level or higher on the Spring 2023 STAAR administrations. High school students who did not meet the standards EOC exams or did not score Approaches Grade Level on the Spring 2023 STAAR exams will also be part of the targeted group. Middle School Algebra I students who did not score Approaches Grade Level will be included in this program as well. High School students who took the STAAR EOC in June 2023 and scored Approached Grade Level or higher will no longer be included in the targeted group for any EOC exams that they passed. Any EOC exam that a student did not have at least Approaches Grade Level will be required to completed accelerated instruction.

Effective Schools District Framework

The goal of the Effective Schools Framework (ESF) is to provide a clear vision for what districts and schools across the state do to ensure an

excellent education for all Texas students. The framework, based on years of educational research of best practices, identifies 5 levers essential for successful school outcomes. Clint ISD will implement the following Levers for 2023-2024.

- 1.1 Develop campus instructional leaders (principal, assistant principal, counselors, teacher leaders) with clear roles and responsibilities
- 1.2 Compelling and aligned vision, mission, goals, values, focused on a safe environment, high expectations, and rigorous instruction.
- 3.2 Explicit behavioral expectations and management systems for students and staff
- 4.1 Daily use of high-quality instructional materials aligned to instructional planning calendars and interim and formative assessments
- 5.1 Effective classroom routines and instructional strategies
- 5.3 Data-driven instruction

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Attendance for 2022-2023 was 93.19% which was below the 96% target. **Root Cause:** Students attendance rates need to continue to improve.

Problem Statement 2 (Prioritized): Student passing rates on the STAAR Exam are not above the state rates in all tested areas. **Root Cause:** The use of high quality instructional materials is not uniform across the district.

Problem Statement 3 (Prioritized): Teacher utilization of HQIM is not at 100%. **Root Cause:** Vertical alignment of a lesson cycle in the classrooms across the district continues to be a focus through the utilization of the TEKS Resource System, pacing guides, and scope and sequence. Lack of fidelity to HQIM.

Problem Statement 4: Data shows that EB students are not exiting the Bilingual and ESL Program. **Root Cause:** Dual Language program is still being aligned Bilingual/ESL Program.

Priority Problem Statements

Problem Statement 1: Students must show progress annually to be successful. Accelerated instruction must be provided.

Root Cause 1: Not all students progressed during 2022-2023 caused other students to have a gap.

Problem Statement 1 Areas: Demographics - Student Learning - District Processes & Programs

Problem Statement 2: Special Education students, have progressed, but are still scoring below the other sub-populations.

Root Cause 2: Special education students have large gaps that continue to need to be addressed.

Problem Statement 2 Areas: Demographics - Student Learning

Problem Statement 3: The need for uniformed officers continues to be a focus at our campuses. The state now requires all campuses to have an armed officer.

Root Cause 3: The potential attack from outside individuals remains a threat.

Problem Statement 3 Areas: District Processes & Programs

Problem Statement 4: Attendance for 2022-2023 was 93.19% which was below the 96% target.

Root Cause 4: Students attendance rates need to continue to improve.

Problem Statement 4 Areas: Perceptions

Problem Statement 5: CTE Programs need to continue to expand to align with the community job needs.

Root Cause 5: Community needs have changed

Problem Statement 5 Areas: Student Learning

Problem Statement 6: 94% of students who are coded EB/ESL/Bilingual have been in US schools 3+ years.

Root Cause 6: There Bilingual and ESL Program continues to be aligned.

Problem Statement 6 Areas: Demographics - Student Learning

Problem Statement 7: TEA has set expectations for all school districts to set clear early learning goals for students in grades PK-3 in the areas of Math and Reading.

Root Cause 7: Not all students entering 4th grade are on grade level in the areas of Reading and Math.

Problem Statement 7 Areas: District Processes & Programs

Problem Statement 8: Student passing rates on the STAAR Exam are not above the state rates in all tested areas.

Root Cause 8: The use of high quality instructional materials is not uniform across the district.

Problem Statement 8 Areas: Student Learning - Perceptions

Problem Statement 9: At Risk Students at 63% of the total population.

Root Cause 9: Students in special populations passing rates on the STAAR do not match their peers.

Problem Statement 9 Areas: Demographics - Student Learning

Problem Statement 10: Special Education Numbers increased requiring more programs and staff.

Root Cause 10: Changes to the identification protocols implemented by TEA.

Problem Statement 10 Areas: Demographics - Student Learning

Problem Statement 11: Teacher utilization of HQIM is not at 100%.

Root Cause 11: Vertical alignment of a lesson cycle in the classrooms across the district continues to be a focus through the utilization of the TEKS Resource System, pacing guides, and scope and sequence. Lack of fidelity to HQIM.

Problem Statement 11 Areas: Student Learning - Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- RDA data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant information
- SAT and/or ACT assessment data
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data
- Other PreK - 2nd grade assessment data
- State-developed online interim assessments

- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data
- Dual-credit and/or college prep course completion data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data
- Action research results

Goals

Goal 1: The District will be a model of high standards for student academic excellence.

Performance Objective 1: The percent of 3rd grade students that score meets grade level or above on STAAR Reading will increase from 40% to 60% by June 2025.

HB3 Goal

Strategy 1 Details	Reviews			
Strategy 1: All K-3rd grade teachers, special education teachers, campus curriculum coaches, interventionists, librarians, and administrators will participate in the 11-month Texas Reading Academies Course. Strategy's Expected Result/Impact: Increase student performance in reading as measured by mCLASS Amplify. Staff Responsible for Monitoring: District cohort leaders, campus administrators	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 2 Details	Reviews			
Strategy 2: All K-3rd grade teachers will implement the adopted phonics scope and sequence to ensure consistency with implementation of a systemic and explicit phonics program. Strategy's Expected Result/Impact: Increase student performance in the area of phonics and reading improvement as measured by mCLASS Amplify. Staff Responsible for Monitoring: Campus administrators, campus curriculum coaches	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 3 Details	Reviews			
Strategy 3: Utilize Amplify instructional strategies for interventions in order to focus on the specific needs of students at all proficiency levels. Strategy's Expected Result/Impact: Improved student performance in reading as measured by mCLASS Amplify Staff Responsible for Monitoring: Campus administrators, Interventionists, campus curriculum coaches.	Formative			Summative
	Sept	Nov	Feb	May
				
 No Progress  Accomplished  Continue/Modify  Discontinue				

Goal 1: The District will be a model of high standards for student academic excellence.

Performance Objective 2: The percent of 3rd grade students that score meets grade level or above on STAAR Math will increase from 50% to 63% by June 2025.

HB3 Goal

Evaluation Data Sources: STAAR Reports, MAP Reports

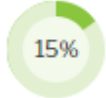

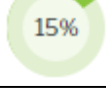

Strategy 1 Details	Reviews			
Strategy 1: Campuses will implement Guided Math into their daily schedule in order to provide targeted support to students within the school day. Strategy's Expected Result/Impact: Increase student performance in math as indicated on Math Screeners data. Staff Responsible for Monitoring: Campus administrators, campus curriculum coaches, Interventionist	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 2 Details	Reviews			
Strategy 2: Incorporate math stations such as those learned in training with Kim Sutton. Strategy's Expected Result/Impact: Increase student understanding and performance in math. Staff Responsible for Monitoring: Campus administrators, campus curriculum coaches, Interventionists	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 3 Details	Reviews			
Strategy 3: Implement ST Math in grades K-5 to reinforce core instruction. Strategy's Expected Result/Impact: Increase overall understanding of math concepts and improve student performance. Staff Responsible for Monitoring: Campus administrators, campus curriculum coaches, Interventionists	Formative			Summative
	Sept	Nov	Feb	May
				
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 1: The District will be a model of high standards for student academic excellence.

Performance Objective 3: The percentage of graduates that meet the criteria for CCMR will increase from 71% to 95% by August 2025.

HB3 Goal

Evaluation Data Sources: CCMR Reports

Strategy 1 Details	Reviews			
Strategy 1: Audit all high school students to ensure they have an opportunity to have a career or college readiness activity prior to graduation and will improve annually based on the Board approved goal for the District and each campus. Strategy's Expected Result/Impact: Increase in CCMR as reflected on TEA report, Skyward Audit System Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 2 Details	Reviews			
Strategy 2: Enroll students in college prep English and Math Courses to ensure they are college ready. Strategy's Expected Result/Impact: Master Schedule review, College Prep passing report Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 3 Details	Reviews			
Strategy 3: Increase the number of students who are taking and meeting the passing standards on the TSI. Strategy's Expected Result/Impact: TSI passing increase, CCMR increase Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 4 Details	Reviews			
Strategy 4: Create opportunities for CTE students to obtain licenses and certifications Strategy's Expected Result/Impact: Report, Annual increase in certifications Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director, CTE Coordinator	Formative			Summative
	Sept	Nov	Feb	May
				

Strategy 5 Details	Reviews			
Strategy 5: Ensure students are provided information about careers in the military through counseling events at the campuses and provide students with the opportunity to take the ASVB. Strategy's Expected Result/Impact: CCMR Rate Increase Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director	Formative			Summative
	Sept	Nov	Feb	May
				
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 1: The District will be a model of high standards for student academic excellence.

Performance Objective 4: The percent of CCMR students that meet the threshold for CCMR Outcomes Bonus for college ready will increase from 25% to 60% by August 2025.

HB3 Goal

Evaluation Data Sources: CCMR Reports

Strategy 1 Details	Reviews			
Strategy 1: Provide students the opportunity to take higher level courses for college credit through various programs which include, dual credit, OnRamps, and AP credits. Strategy's Expected Result/Impact: CCMR Report increase Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director Funding Sources: DUAL CREDIT ONLINE COURSES- - 199 GENERAL FUND - \$59,000	Formative			Summative
	Sept	Nov	Feb	May
				
Strategy 2 Details	Reviews			
Strategy 2: Create opportunities for students to earn an associates degree with El Paso Community College through district-wide PTECH programs offered at Clint High School, Horizon High School, Mountain View High School, and the Clint ISD Early College Academy. Strategy's Expected Result/Impact: CCMR increase Staff Responsible for Monitoring: Campus Administration, Counselors, Advanced Academics Director, Counseling Director, CTE Coordinator	Formative			Summative
	Sept	Nov	Feb	May
				
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 1: The District will be a model of high standards for student academic excellence.

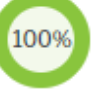

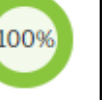

Performance Objective 5: The District will provide students opportunities to be college and career ready throughout the 2023-2024 school year.

Evaluation Data Sources: Student enrollment and completion will increase in AP, DC, CTE courses as evidence on the State Accountability reports for Domain I - College, Career Military Readiness

Strategy 1 Details	Reviews			
Strategy 1: The District will ensure campuses provide test preparation and opportunities for students to take college entrance exams (SAT/TSI). Strategy's Expected Result/Impact: STAAR Scores, TSI Exams, PSAT/ACT/SAT, ReadISTEP Staff Responsible for Monitoring: Instructional Services Funding Sources: Contracted Services for SAT - 199 GENERAL FUND - \$100,000	Formative			Summative
	Sept	Nov	Feb	May

State Compensatory

Budget for District Improvement Plan

Total SCE Funds: \$368,195.82

Total FTEs Funded by SCE: 8

Brief Description of SCE Services and/or Programs

Coding of At Risk Students Clint ISD uses the At-Risk Criteria to code students and benefit from the SCE program. The campus administration will ensure that all students, who meet At-Risk Criteria, are coded in the appropriate PEIMS submission. The PEIMS department reviews the criteria annually, and ensures all criteria are reviewed and submitted into the student data system – SKYWARD. Annual PEIMS Reviews ensure the coding is correct. Student Supports At all levels, staff are put in place to provide student supports and accelerated instruction. At the Elementary School Level, the district has funded curriculum coach positions and campuses have allocated funding for supplemental resources, extra duty pay for tutoring and travel for staff to gain knowledge of how best to support students. Elementary campuses also fund a Technology Coach to assist teachers and students with integrating technology to support instructional needs. At the middle school level, support classes such as Reading Improvement and Math Improvement courses are funded and students are enrolled in these programs to assist their academics. Also at the Middle School Level, the district has funded curriculum coach positions and campuses have allocated funding for supplemental resources, extra duty pay for tutoring and travel for staff to gain knowledge of how best to support students. At the High School Level, courses are also funded to support students to improve their academics. High School campuses also have funded curriculum coach positions and campuses have allocated funding for supplemental resources, extra duty pay for tutoring and travel for staff to gain knowledge of how best to support students. The District Level funding is allocated to providing resources to the campuses in technology, online learning tools and other resources. Activities and Support Programs All district campuses conduct intervention programs to strengthen student academic skills. Campuses, at all levels, use SCE funds for extra duty pay for tutoring which will occur before, after-school and on Saturdays. The district also may use SCE funds for intersession. All campuses place SCE funding for resources to support intervention programs. High School campuses use SCE funds for dropout prevention programs, credit recovery intervention programs and support for students to ensure that they graduate from high school. These programs are designed to compliment the regular education program and offer additional supports for students who meet the SCE criteria. The District also funds the District Alternative Education Program with SCE funding; this program identifies student supports for students at-risk of not graduating due to disciplinary issues. Data Review and Program Evaluation The campus and district teams, review student academic data after formative and summative assessments have been administered to ensure the success of programs, use of resources and effectiveness of staff. The Federal Programs annually evaluates the programs, staff, and activities funded through the SCE program. Campuses ensure that all activities are funded with the appropriate SCE funds which are actually entered into strategies of the CIP and DIP.

Personnel for District Improvement Plan

<u>Name</u>	<u>Position</u>	<u>FTE</u>
Gloria Deal	Dyslexia Support Teacher	1
Karen Ayala	Dyslexia Support Teacher	1
Lori Olivas	Dyslexia Support Teacher	1
Maria Hernandez	GT Support Teacher	1
Nancy Rubio	GT Support Teacher	1
Sylvia Gomez-Soriano	Dyslexia Support Teacher	1
Veronica Booth	CTE Coordinator	1
Yvette Munoz	GT Support Teacher	1

Title I

1.1: Comprehensive Needs Assessment

Clint ISD will ensure all students in the campuses demonstrate proficient and advanced levels of academic achievement on state standards. The development of the comprehensive improvement plan for each schoolwide campus program, the entire community, composed of students, parents, and staff will ensure the programs developed are based on the campus needs in an effort to promote an overall capacity of campus and district successes. Based on the economically disadvantaged criteria, all campuses including the Clint Early College Academy will function as a schoolwide Title I program. In order to develop this plan, the District conducted a comprehensive needs assessment to ensure that our plan is aligned with the new ESSA requirements and the new Texas Accountability System.

The following data was reviewed:

- Data from the T-TESS evaluation system
- STAAR Participation Scores
- EOC Scores from June 2022
- STAAR Student Scores
- District Benchmark and Interim Assessments
- Special Population Scores
- MAP Data

2.1: Campus Improvement Plan developed with appropriate stakeholders

The District's Site Based Decision Making Committee will review the plan beginning in April/May of 2023 with a final review in July 2023. The committee, at that time, made recommendations included in the final published document. The committee this past Spring, created the plan by reviewing strategies, data and updating each portion by goals.

Work group documentation was kept for each goal, the District Site Based Committee met to review the DIP, approve waivers, and provide feedback. District Departments also helped to create the DIP by reviewing their goals and updating the strategies. The Assistant Superintendent of Secondary Curriculum and the Assistant Superintendent of Elementary Curriculum and Instruction created presentations of the HB 3 Goals at a Board workshop throughout the year. The DIP will be posted online for the community.

2.2: Regular monitoring and revision

The DIP is a working document that changes as the District's needs change. The Cabinet will update sections as the need for purchases or new initiatives/strategies arises. Furthermore, the District Cabinet will monitor the plan during the review months - September, November

January, and May. Each goal will be updated and notes on the progress of the DIP will be included. During the review months, any revisions will be done by each department and reviewed with the Cabinet.

2.3: Available to parents and community in an understandable format and language

The District Improvement Plan will be accessible on the website and shared with the District Site Based Committee. The District will ensure that the DIP and all CIP's are translated into Spanish and posted on the District's and Campus websites.

2.4: Opportunities for all children to meet State standards

The District will provide reform strategies as interventions for all Title I schoolwide campuses to ensure the needs of all children, but particularly the needs of children of target populations of any program use effective methods and instructional strategies based on scientifically based research to ensure the state academic achievement standards are met. The lower grades will implement an initiative to ensure that all students are reading on grade level by the end of the Third grade. The "Ready by Third" program will ensure success district-wide for our At-Risk population. Across all grade levels the District is also implementing the HQIM or High Quality Instructional Materials program from TEA. This program ensures that the curriculum in the core content areas is aligned with state standards and that students are taught on grade level.

Furthermore, the District implemented the Countdown to Zero program to ensure students are receiving all of their credits and support when they need to recover lost credits which ensures they are on target for graduation. Again during 2023-2024, the District will operate on a balanced calendar with student support intersessions in October and March. Throughout the year, the campuses will have additional support as well for students through an intervention program named I-SUPPORT. These intersessions will focus on students who are at risk or not on grade level, behind in the credits, or need support to be successful on the state assessments. Also, Title I funds are allocated to support the AVID program, instructional software and after-school tutoring programs. ESSER funding will be provided to campuses to support interventions, SEL programs, fund staff and provide additional instructional resources.

2.5: Increased learning time and well-rounded education

Clint ISD will provide any student who did not pass STAAR grades 3-8 or EOC assessments, accelerated instruction must be delivered in the 2023-2024 school year (starting in fall 2023) or subsequent summer 2024. Accelerated instruction entails either 1) assigning a classroom teacher who is a certified master, exemplary, or recognized teacher, or 2) delivering supplemental instruction (i.e., tutoring) before or after school, or embedded in the school day and meeting HB 4545 requirements. Clint ISD has titled the program I-SUPPORT for the 2023-2024 school year.

Pending new guidelines from the state on ALC's, Each campus must establish an ALC for students who did not pass the STAAR in grades 3rd, 5th, or 8th math or reading beginning to the start of the school year. The ALC's must be conducted immediately so that the intervention plans must be developed and put into place starting on August 2, 2023. Remember an ALC must also be conducted for a student who did not

take the STAAR test; TEA records any student who did not take the exam as a student who did not meet Approaches or higher. Only students in these grade levels must have a formal ALC, but the other grade levels must have a plan and process to monitor student achievement during the implementation of the plan.

Elementary and Middle school students who did not pass or take the STAAR exam must also have targeted interventions for all STAAR exams that they did not score at least Approached Grade Level or higher on the Spring 2023 STAAR administrations. High school students who did not take the EOC exams or did not score Approaches Grade Level on the Spring 2022 STAAR exams will also be part of the targeted group. Middle School Algebra I students who did not score Approaches Grade Level will be included in this program as well. High School students who took the STAAR EOC in June 2023 and scored Approached Grade Level or higher will no longer be included in the targeted group for any EOC exams that they passed. Any EOC exam that a student did not have at least Approaches Grade Level will be required to completed accelerated instruction.

All students will have a scheduled time for accelerated instruction. During the 2022-2023 school year, students will be provided targeted intervention before, after and during school. These intervention times must be documented and provided at least 30 minutes a week, per subject. Each campus will work with their respective Assistant Superintendent to develop an approved plan that is uniform and consistent. We will need to provide information on the I-SUPPORT plan to TEA as needed so all program requirements will be adhered.

All student plans must have data to drive their development. Campuses should use STAAR data, MAP data, screener data, and at the high school level course completion data. Accelerated instruction should meet the following requirements:

- Delivers targeted Texas Essential Knowledge and Skills (TEKS)-aligned instruction for the applicable grade level and subject areas
- Is provided for no less than 30 hours total (The recommendation is for 30 hours each semester)
- If a student does not pass the mathematics and reading STAAR, 30 hours of accelerated instruction must be provided for each subject area.
- Is designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area
- Utilizes effective instructional materials designed for supplemental instruction.
- Is delivered in a 1-on-1 or small group environment, with no more than 3 students in a small group (or in a larger ratio with permission from all parents or guardians connected to students in the group)
- Is provided by an individual with training in aligned instructional materials and under the LEA's oversight

To the extent possible, is provided by one person for the entirety of the student's supplemental instruction period.

2.6: Address needs of all students, particularly at-risk

All student groups will have campus supports where the master schedule will be leveraged to schedule students in classes that can identify gaps and ensure acceleration of instruction. Student plans will be developed to address any learning gaps.

All student plans must have data to drive their development. Campuses should use STAAR data, MAP data, screener data, and at the high school level course completion data. Accelerated instruction should meet the following requirements:

- Delivers targeted Texas Essential Knowledge and Skills (TEKS)-aligned instruction for the applicable grade level and subject areas
- Is provided for no less than 30 hours total (The recommendation is for 30 hours each semester) Pending guidelines from TEA.
- If a student does not pass the mathematics and reading STAAR, 30 hours of accelerated instruction must be provided for each subject area.
- Is designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area
- Utilizes effective instructional materials designed for supplemental instruction.
- Is delivered in a 1-on-1 or small group environment, with no more than 3 students in a small group (or in a larger ratio with permission from all parents or guardians connected to students in the group)
- Is provided by an individual with training in aligned instructional materials and under the LEA's oversight

To the extent possible, is provided by one person for the entirety of the student's supplemental instruction period.

3.1: Annually evaluate the schoolwide plan

Annually, the DIP and Title I plan are evaluated during the formative review months and a summative evaluation is conducted at the end of the year. The District Cabinet will monitor the plan during the review months - September, November January, and May. The Cabinet will update sections as the need for purchases or new initiatives/strategies arises during the year. Each goal will be updated and notes on the progress of the DIP will be included. The end of year Summative evaluation will be shared with District Site Based Committee during the DIP planning session. Revisions and recommendations will be implemented at the DIP planning session.

4.1: Develop and distribute Parent and Family Engagement Policy

The district will use scientifically based research strategies to promote and increase the parent & family engagement efforts in all Title I schoolwide campuses. The Communities in Schools program has been implemented to enhance parental & family engagement activities. Also, the campuses have involved parents through Parent & Family Engagement activities, technology integration, and district programs. The District has also updated its software applications and programs to provide parents with more information about the district's activities and programs.

4.2: Offer flexible number of parent involvement meetings

Our Communities in School Coordinators (CIS), Campus administration and Parent & Family Engagement programs have events scheduled at all campuses throughout 2023-2024 school year. Also, campus administration conducts all required parental involvement meetings and publicizes those through the web, twitter and through the District's call out system. Each campus will also have additional SEL support by having an SEL Lead Teacher who will assist with coordinating parental involvement activities to support social and emotional learning as

students transition back to the campus after the pandemic.

5.1: Determine which students will be served by following local policy

The District's Accountability staff will provide the campuses and District Cabinet with the data from RDA, TEA Accountability and Federal Report Cards. Also, the District staff will receive all data and reporting required for TEA interventions which include Targeted Support Campuses. The District Instructional Staff will work with campuses to identify all students in need of support and created Targeted Improvement Plans. The plans must identify students who need accelerated intervention plans and the actual plans for supports that the campuses/District will implement. These targeted plans will be reviewed quarterly by the Assistant Superintendents and Superintendent. The NTC and Academic Deans will conduct walkthroughs and instructional rounds to support the TIP implementation.

Title I Personnel

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Castanos, Christina	Residency Coordinator	Title I	1.0
