- E. Instructional Materials.** Textbooks for CECA students will be provided by Clint ISD. All other instructional materials for College credit courses and research activities will be provided jointly by EPCC and Clint ISD. In all cases, Clint ISD will provide those items typically required for purchase by students. College courses for dual credit taught on the high school campus will require dual credit faculty with EPCC approved credentials to teach the College courses and to handle the appropriate lab equipment at the high school campus. Clint ISD will provide those items typically required for purchase by students. For College courses for dual credit, Clint ISD will be responsible for all instructional items. For College credit courses only, EPCC will provide supplies/consumables typically provided as part of the curriculum.

Admission to CECA will be open to a maximum of 100 students every year. This will be known as a cohort. Criteria for admission to CECA allows eighth grade students to apply for the new cohort each year and enter Early College High School as ninth graders. The majority of the students accepted to CECA will be those who are identified as "at risk" according to TEA guidelines, including low-income students, and English language learners.

In special circumstances, additional ninth graders who meet the criteria for Early College High School, will be allowed to apply for any available openings in the cohort, as long as they do not exceed the maximum of 400 students. These students will be integrated into the existing cohort.

Clint ISD and CECA will state “Early College High School is a partnership between EPCC and Clint ISD,” when speaking, presenting, or discussing the initiative as well as in all written materials, including, but not limited to: news releases, website content, promotional materials, social media or other content. Signage, banners and other displays should prominently demonstrate the partnership and should include EPCC and its logo. Except for written materials on jointly pre-approved Early College High School letterhead or masthead or digital material posted in a jointly pre-approved format, these materials will need to be reviewed and approved by EPCC's Marketing/Community Relations Department and the Dean of DC/ECHS. Each party reserves the right to approve major signage, banners and other displays that will be displayed outside the EPCC campus to the general public. EPCC supplied logos, banners, or flags will be displayed in each classroom used to teach CECA students. Clint ISD is responsible for ensuring that departments producing as well as appropriate administrators, faculty and staff are aware of the marketing and co-branding requirements. Media/marketing materials that do not reflect appropriate co-branding may have to be taken down and redone to properly reflect required marketing and co-branding.

In the event of termination during the initial term of this Agreement, the effective date of termination shall be as of June 30, following the notice. It is the intent of the Parties that no termination shall be made during the middle of the school year which will disrupt the academic progress for the students of CECA, unless the Parties mutually agree. In the event of termination, CECA will continue operation through the 11th grade cohort's scheduled graduation from CECA. Services to enrolled 9th and 10th grade students may be continued though graduation of those cohorts by agreement. While in the process of discontinuing operation, CECA may not enroll any additional students in grades that have been phased out but will continue to meet all the required design elements and provide full support for all students enrolled in the school.
