This chart is to be used for requesting in-district mileage reimbursement for official school business. For travel between destinations listed, use the miles shown on this chart and no other documentation is required to complete the Mileage Reimbursement Form. If the travel sites and distances are listed on this chart, the miles listed must be used. If travel is not listed on this chart and being submitted, attach the MapQuest mileage calculation print outs to the Mileage Reimbursement Form.

All distances are in miles and are the shortest distance calculated on MapQuest.

If other regularly traveled sites are needed, please contact the Business Service Department and they will be added. Please contact the Business Services Department with any questions.
