DISTRICT INFORMATION

Description of the District

The fast-growing District encompasses a diverse, geographically large area (379.9 square miles) within the Upper Rio Grande border Region, 25 miles east of El Paso. The Far East El Paso area is one of the fastest developing areas in the county.

The District encompasses three major, separate and distinct communities – the Town of Clint,

farming and ranching area; the town of Horizon City; and the unincorporated area known as East Montana. Altogether, the District has fourteen campuses – one early college high school, three high schools, three middle schools, one junior high school, and six elementary campuses.

The town of Clint is located in the fertile valley area on State Highway 20, approximately 18 miles southeast of El Paso. Horizon City and the East Montana areas are situated in the high desert to the north. The East Montana area flanks State Highways 62 and 180, about 24 miles to the north of Clint. Horizon City is also on the high desert at the midpoint of the District.

Of the nine school districts in El Paso County, Clint is the largest in square miles and has great potential for growth. Percentages also indicate that it is one of the fastest growing districts in Texas. The District has an estimated student population of 11,800.

EMPLOYMENT

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Clint ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Em-ployment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination ex-tends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Mr. Rene Chavez, the District ADA/Section 504 Coordinator at 14521 Horizon Boulevard, El Paso, Texas 79928, (915) 926-4000. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Mr. James Littlejohn, Assistant Superintendent of Secondary Curriculum and Instruction at 14521 Horizon Boulevard, El Paso, TX 79928, (915) 926-4000.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are posted on a regular basis and posted on the District's Website.

Employment After Retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full-time or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment is available in the TRS publication Employment after Retirement. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available in the TRS Website (http://www.trs.texas.gov/).

Contract and Non Contract Employment

Policy DC

State law requires the District to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the District.

Probationary Contracts. Nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in District employment or employees who move to a position requiring a new class of certification also may be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the District may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the Board determines it is doubtful whether a term or continuing contract should be given.

Revised 08.26.24

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are employed by a Chapter 21 probationary or term contract or a non-certified contract.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the District.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Certification Specialist in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Certification Specialist if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Department of Human Resources at (915) 926-4066 if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches, Alcohol and Drug Testing

Policy CQ, DHE

Non-investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the District reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee's personal items, work areas, including District-owned technology resources, lockers, and private vehicles parked on District premises or work sites or used in District business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct,

and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted, if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is not allowed to return to duty.

Any employee who is required to have a CDL or who otherwise is subject to alcohol and drug testing will receive a copy of the District's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Department of Human Resources at (915) 926-4066.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the District proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to their immediate supervisor and to the Department of Human Resources by October 1, 2023.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent determines that the assignment or reassignment is in the best interest of the District. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplement duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the District process for employee complaints as outlined in this handbook and District policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins

must submit his or her request by the deadline provided by the Department of Human Resources each year. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Department of Human Resources and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12- month basis, according to the work schedules set by the District. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The District may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. Overtime Compensation on page 25 for additional information.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact Rene Chavez, Chief Human Resources Officer at (915) 926-4000.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact [name, title, phone number] to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the District is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Department of Human Resources at 926-4066.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the District. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policies DN, DNA, DNB

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda may be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Employee Involvement

Policies BQA, BQB

At both the campus and District levels, the District offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the District. As part of the District's planning and decision-making process, employees are elected to serve on District- or campus-level advisory committees. Plans and detailed information about the shared decision making process are available in each campus office or from the Department of Human Resources.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the District. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

COMPENSATION AND BENEFITS

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The District's pay plans are reviewed by the administration each year and adjusted as needed. All District positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid based on hourly wage or salary and receive compensatory time or overtime pay for each overtime hour worked beyond 40 hours in a workweek.

All employees will receive written notice of pay schedules and work schedules, as approved by the School Board, before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform

extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the District's extra-duty pay schedule.

Employees should contact the Department of Human Resources for more information about the District's pay schedules or their own pay.

Paychecks

Payday schedules are according to the employee's classification. Exempt employees are paid on the 15th day of every month. If the 15th falls on a weekend it will revert back to the Friday before the 15th. Non-exempt employees are paid twice per month. The first payroll is on the 15th day of every month. If the 15th falls on the weekend it will revert back to the Friday before the 15th. The second payroll will be on the last day of the month. Again, if the last day falls on the weekend it will revert back to the Friday before the last day of the month. This may be adjusted for holidays.

Paychecks will not be released to any person other than the District employee named on the check without the employee's written authorization. Employees are responsible for regularly reviewing the accuracy of their pay statement.

Automatic Payroll Deposit

Employees will have their paychecks electronically deposited into a designated account. A notification of change is required by the payroll "cut-off" date each month. With automatic deposit, an employee's pay is immediately available on the pay date. Contact the Business Services Department for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The District is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or alternative Social Security employee contributions
- Federal income tax
- Medicare tax (applicable only to employees hired in this district after March 31, 1986)
- Child support and spousal maintenance, if applicable

• Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of fitness programs and membership dues to professional organizations and Member TRS Care Insurance Contribution-After Retirement with the exception of PAC (Political Action Committee) voluntary donations. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments. Employees are not entitled to any funds the district overpays. An overpayment occurs if an employee is paid more than the amount the employee should have been paid under the assigned pay grade and applicable supplemental pay.

If an overpayment is reported in the current fiscal year, a payment plan will be developed to recoup the payment. Generally, an overpayment will be paid in one pay cycle. However, if this creates an undue hardship for the employee, the district has the discretion to develop a plan for regular payroll deductions in the same fiscal year.

An agreement between an employee and the district must be in place in order to deduct any overpayment.

Overtime Compensation

Policies DEAB, DEC

The District compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours. The workweek for District employees shall be 12:00 a.m. Sunday until 11:59 p.m. Saturday.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at a time-and-a-half rate with compensatory time off (comp time) or direct pay. However, Clint Independent School District has chosen to use compensatory time as the primary basis for overtime payment for all job categories. The following applies to all nonexempt employees:

- Employees may accrue up to 240 hours of compensatory time. (160 hours of actual overtime worked).
- Comp time must be understood and agreed to before the work is performed.
- Use of comp time may be at the employee's request with supervisor approval as workload permits, or at the supervisor's direction.
- An employee may be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

All paraprofessionals and support staff are required to work a 40-hour week. The administrator in charge will determine the work schedule. All overtime must have prior approval by the respective assistant superintendent. Emergencies will be handled on a case-by-case basis.

Employees working overtime without prior approval will be subject to the following disciplinary action:

- 1. The first offense will merit a written warning.
- 2. The second offense will merit a one-day suspension without pay.
- 3. The third offense will merit termination.

Time Sheets and Clocks

Policy DEAB

Time sheets or time clock entries are required to be kept for all non exempt personnel; the supervisor of exempt personnel may exercise discretion regarding whether to require timesheets for exempt personnel. Time sheets or time clock entries are to be maintained on a weekly basis, and actual hours are to be documented. Weekly reconciled time sheets must be delivered to the business services department no later than the following Tuesday of the workweek recorded or time clock entry and reconciliation completed.

It is the employee's responsibility to ensure that he or she punches in or out correctly each day. Employees may experience delays in full compensation and disciplinary measures for failing to punch in/out prior to the payroll cut-off dates.

Employees who make excessive punch infractions or violate any other time clock policies and procedures may be subject to disciplinary action. The following disciplinary actions may be taken:

- 4. The first offense may merit a written warning.
- 5. The second offense may merit a one-day suspension without pay.
- 6. The third offense may merit termination of employment.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and the appropriate central office administrator must give approval. Once approved all travel arrangements must be made by the Districts travel clerk. Any travel arrangements made by the employee will not be reimbursed and the employee will be responsible for the entire cost of the trip. For approved travel, employees will be reimbursed for mileage and other allowable travel expenditures according to the current rate schedule established by the District. Employees must clear trips, providing detailed receipts, no later than 10 working days after their return. Employees not clearing trips within the allotted time will have the entire amount of the trip deducted from their next paycheck. For more information on District Travel procedures please refer to Policy DEE Legal, DEE Local, FMG Local, Administrative Regulation DEE R, FMG R, or call the District travel clerk at 915-926-4090.

Health Insurance

Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health program. The District's contribution to employee insurance premiums is determined annually by the Board of Trustees. Employees eligible for health insurance coverage include the following:

- Employees who are actively making monthly contributions to TRS.
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week.

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The group health insurance plan year is from September 1 through August 31. Current employees can make changes to their health insurance coverage during open enrollment each year or when they experience a qualifying event (i.e. marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees via the online employee benefits portal. Employees should contact the Benefits Department at (915) 926-4073 for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs such as dental, vision, life and disability. Premiums for these programs can be paid by payroll deduction. Employees should contact the Benefits Department at (915) 926-4073 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or decline this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., health, dental, vision, cancer, dread disease, etc.).

New employees must accept or decline this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period during open enrollment.

Workers' Compensation Insurance

Policy CRE

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the injured employee's supervisor and the Benefits Coordinator at (915) 926-4073. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Benefits Department at (915) 926-4073.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits. Employees who plan to retire under TRS should notify TRS as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov). See page 14 for information on restrictions of employment of retirees in Texas public schools.

LEAVES AND ABSENCES

Policies DEC, DECA, DECB

The District offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five (5) days should call their immediate supervisor and call the Benefits Coordinator at (915) 926-4073 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the District.

Paid leave must be used in half day or full day increments. Earned comp time must be used before any available paid state and local leave. Summer hours are the only exception. Unless an employee request a different order, available paid state and local leave will be used in the following order:

- Local
- State

Employees must follow District and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay. Documentation may be required for any absence at the discretion of the Superintendent or designee.

If an hourly employee does not report or request leave of absence(s) according to dis-trict procedures, the incident is considered a "no call/no show". An employee who is absent for three consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

Medical Certification. Any employee who is absent more than three (3) days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and - in the case of personal illness- the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pat-tern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic in-formation of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. Genetic information as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the District as they were prior to the leave. Otherwise, the District does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-ActiveCare rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of earned personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. There are two types of personal leave: non discretionary and discretionary. Arrival at work later than one (1) hour constitutes a half-day absence and leaving work earlier than one (1) hour before the end of the workday or dismissal constitutes a half-day deduction from the employee's available leave.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered non discretionary leave. Reasons for this type of leave allows very little, if any, advance planning. Non Discretionary leave may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take Revised 08.26.24

discretionary personal leave must submit a written request to his or her principal or supervisor two (2) days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

No more than five (5) discretionary leave days may be taken consecutively. Discretionary leave days may not be taken under the following circumstances:

- 1. Days scheduled for state-mandated assessments or end-of-course examinations.
- 2. Days scheduled for professional or staff development that are applicable to the individual employee.

The use of discretionary days by an employee in a manner that negatively impacts the students or the mission of the District may be addressed through the District's disciplinary procedures. If there is evidence of abuse of leave policies, use of personal leave days may be investigated and/or denied by the Superintendent, or designee. Documentation may be required for any absence at the discretion of the superintendent or designee.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Staff Development and School Business Leave

Staff Development Absence. An absence is entered into the system (AESOP or Skyward Time Off) if an employee is away from their assigned campus or department for staff development.

School Business Absence. An absence is entered into the system (AESOP or Skyward Time Off) if an employee is away from their assigned campus for School Business. Departmental personnel will submit an absence if the employee's duties do not normally take them away from the department or as required by their Cabinet Member.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in three (3) days increments, except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

State Personal Leave – Rate Accrual

Leave is available for the employee's use. Each employee shall earn state personal and local leave, in equivalent workdays, at the rate of half (.5) a work day for every 18 workdays of employment, up to the statutory maximum of 5 state personal leave days per contractual year. If an employee leaves the district before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck.

Local leave shall accumulate without limit and shall be taken with no loss in pay. For these limitations refer to Policy <u>DEC Legal</u> and <u>DEC Local</u> and also the District's Employee Handbook.

Non-Duty Days

For the 2024–2025 school year, the following categories of staff have the indicated number of Non-Duty Days:

246 days employee – 15 days
```

Non-Duty Days are non-paid days that are in excess of the staff member's required number of work days, as per the District calendar. The number of non-duty days can vary each year as they are determined by the annually adopted District calendar.

Sick Leave Bank (or Pool)

If fifty (50) percent or more of eligible personnel choose to join, a local sick leave bank may be established in order to provide additional sick leave days to members of the sick leave bank. Days from the sick leave bank shall be available only in the event of unexpected life threatening illness, surgery or injury that renders the employee incapable of performing required duties and necessitates an absence from work for at least five (5) or more consecutive days.

Eligible personnel are defined as full-time employees of the District who work a minimum of thirty (30) hours per week as well as teacher and paraprofessional personnel who work at least fifty (50) percent of the normal school day. An employee may receive a maximum of thirty (30) days from the pool. A governing board, which shall be called the Sick Leave Bank Board of Directors, shall approve or disapprove all requests for days from the sick leave bank. Information regarding the Sick Leave Bank is available in Policy DEC (Local) and may be downloaded from the web.

Granting Days

The following shall apply to the granting of days from the sick leave bank:

1. Days may be requested from the sick leave bank only after a member has exhausted all accumulated state leave and local leave days.

- 2. A member may apply for days from the bank only after being absent from work for the number of days requested (a minimum of five (5) days); days shall not be granted in advance. The maximum number of days that may be granted during the year shall be thirty (30) days.
- 3. A member who has received fewer than thirty (30) days from the sick leave bank and returns to work, but is again ill with the same or a different illness may apply to the bank for additional days needed, up to the maximum of thirty (30) days in a school year. Each separate illness must meet the initial eligibility criteria.
- 4. Days from the bank may be used only for the member's personal catastrophic illness or injury and may not be used to assist a member of the immediate family.

In order to apply for sick leave bank days, the member shall:

- Sign a statement attesting to the fact that the condition that necessitated the request for sick leave bank days from the governing committee was unknown to the employee at the time he or she became a member of the bank.
- 2. Submit a completed statement from the attending physician's (licensed to practice in the United States) that includes:
 - a. Identification of the nature of the illness and/or extent of injury.
 - b. Date of initial onset of this particular condition.
 - c. Anticipated date eligible to return to work on full-or part-time basis.
- 3. If a member is critically ill and unable to file an application for days, the principal, immediate supervisor, or department head may initiate the application form at the request of the family.
- 4. The Board of Directors of the sick leave bank may require the employee to obtain a second opinion from a physician of the sick leave bank Board of Directors' choice at any time. In such cases, the District shall pay the cost of the examination.

Termination of Membership

A member shall lose the right to use benefits of the bank only by:

- 1. Termination of employment with the District.
- 2. Cancellation of participation by the member at any time, in writing.
- 3. Being on an approved leave of absence other than family and medical leave or temporary disability leave.

A covered service member is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise

on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

*The FMLA definitions of "serious injury or illness" for current service members and veterans are distinct from the FMLA definition of "serious health condition."

Final Decision

Any question concerning membership, regulations, or application for sick leave bank days that may arise after adoption of this policy and not specifically covered herein, shall be submitted to the Board of Directors, who will make a recommendation to the Superintendent. An employee who is not satisfied with the decision of the Superintendent may appeal to the Board beginning with Level Three, <u>DGBA (LOCAL)</u>.

Amendments

Sick leave bank guidelines may be amended upon recommendation of the Board of Directors followed by approval of the Superintendent. Any substantial change in the program shall be approved by the Board of Trustees.

Family and Medical Leave (FML) - General Provisions

The following text is from the federal notice, Your Employee Rights Under the Family and Medical Leave Act. Specific information that the District has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with job-protected leave for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take up to 12 workweeks of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health con-dition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness may take up to 26 workweeks of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in one block of time. When it is medically necessary or otherwise permitted, you may take FMLA leave intermittently in separate blocks of time, or on a reduced schedule by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is not paid leave, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave pol-icy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an eligible employee if all of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a covered employer if one of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Of-fice of Personnel Management

How do I request FMLA leave?

Generally, to request FMLA leave you must:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, ben-efits and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call 1-866-487-9243 or visit dol.gov/fmla to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. Scan the QR code to learn about our WHD complaint process.

Local Family and Medical Leave Provisions

Eligible employees can take up to twelve (12) weeks of unpaid leave in the twelve (12)-month period beginning on the first duty day of the school year.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the District are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary, or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee's ability to perform essential job functions is required, the district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA (LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact the Benefits Coordinator at (915) 926-4073 for details on eligibility, requirements, and limitations.

Temporary Disability

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. A full-time educator may request to be placed on temporary disability leave or be placed on leave. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. The leave request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than one hundred and eighty (180) calendar days. If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Benefits Department should be notified at least thirty (30) days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to

resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or pre-injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury, and should be immediately reported to the employee's immediate supervisor and the Benefits and Risk Management Coordinator at 915-926-4073.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two (2) years) to recover from the physical injuries he or she sustained. At the request of an employee, the District will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation, the District may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave (Funeral)

Use of state leave and/or local leave for death in the immediate family shall not exceed five (5) workdays per occurrence, subject to the approval of the District. (DEC Local)

Jury Duty

The district provides paid leave to employees who are summoned to jury duty. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the sum-mons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid school business subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances. Absences for court appearances related to an employee's personal business shall be deducted from the employee's personal leave or shall be taken by the employee as leave without pay.

Truancy Court Appearances

An employee who is a parent, guardian of a child or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue

hardship to the District. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty ordered by proper authority. Paid military leave is limited to fifteen 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the District to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the District will be reemployed provided they are still qualified to perform the required duties. Employees returning to work following military leave should contact the Benefits and Risk Management Coordinator at 915-926-4073. In most cases the length of federal military service cannot exceed five (5) years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed twenty-four (24) months. Employees should contact the Benefits Coordinator at (915) 926-4073 for details on eligibility, requirements, and limitations.

COMPLAINTS AND GRIEVANCES

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the Board. For ease of reference, the District's policy concerning the process of bringing concerns and complaints is reprinted as follows:

Guiding Principles (DGBA)

The Board encourages employees to discuss their concerns and complaints through informal conferences with their supervisor, principal, or other appropriate administrator. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

If an informal conference regarding a complaint fails to reach the outcome requested by the employee, he or she may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Definitions:

Days	For purposes of this policy, "days" shall mean District business days. Grievances may be dismissed if filed late. The employee may appeal the dismissal at the same level, but the appeal is limited to the issue of timeliness.	
Complaint	 A concern regarding one or more of the following: Wages, hours, or conditions of work. Alleged violation(s) of Board policy or administrative regulation(s). Alleged violation(s) of employees' exercise of constitutional rights. Alleged arbitrary, malicious, or capricious treatment. Alleged harassment (excluding sexual harassment). Alleged violation of the Code of Ethics and Standard Practices for Professional Educators. 	
Grievance	The complaint must establish the individual harm suffered. An unresolved complaint. Complaint and grievance shall have the same meaning.	
Complainant	Individual or organization who files a written complaint.	
Grievant	Individual or organization who files a written grievance.	
Respondent	Individual against whom a complaint or grievance is filed.	
Representative	A person designated by the employee to act as representative. If a representative is designated shortly before a scheduled conference or hearing, the District may reschedule in order to include its own attorney.	
Teacher	Classroom teachers, counselors, librarians, and nurses.	
Staff Member	District employees other than teachers, site-based administrators, and supervisors.	
Site-Based Administrator	Principals and assistant principals.	

Other Review Process

Some topics are governed by other review processes and are not subject to this policy. An employee's dismissal or nonrenewal may be the subject of a grievance under this policy only if the District does not otherwise provide for a review of the matter.

The following are governed by other review processes and are not subject to this policy:

- 1. Grievances regarding suspension without pay of a contractual employee: DF series
- 2. Grievances regarding instructional materials: **EFA**
- 3. Grievances regarding sexual harassment: DIA

Freedom from Retaliation

Neither the Board nor the administration shall unlawfully retaliate against any employee for bringing a complaint or grievance under this policy. Policy DG

Notice to Employees

The principal of each campus and other supervisory personnel shall ensure that employees under their supervision are informed of this policy. Employees shall be provided a copy of the policy at the time of employment and whenever it is revised.

Whistleblower Complaints

Employees who allege unlawful discrimination in retaliation for reporting a violation of law to an appropriate authority shall invoke this policy no later than ninety (90) days after the date the alleged violation occurred or was discovered by the employee through the use of reasonable diligence. The complaint shall be filed with the Director of Human Resources. If the complaint is not resolved at that level, the Superintendent shall ensure that the matter reaches the Board expeditiously. Timelines for the employee and the District set out in this policy may be shortened to ensure that the Board's final decision is made within sixty (60) days of the initiation of the complaint.

Consolidation

When the Superintendent or designee determines that two or more individual complaints or grievances are sufficiently similar in nature and remedy to permit their resolution through one proceeding, he or she may consolidate the complaints.

Informal Conference

Before initiating the formal complaint process and prior to the fifteen (15) business day deadline under this policy, attempts should be made to resolve concerns at the lowest level through an informal conference process. A conference form shall be completed with both the complainant's and administrator's signature to document the conference.

Formal Process

If the complaint is unresolved at the informal conference of the parties, the complainant may file a grievance by filing a written complaint form within 15 days

of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance.

Level One

The employee must submit the complaint form to his or her immediate supervisor. If the employee's immediate supervisor is the Superintendent or designee, the complaint may begin at Level Two. The appropriate administrator will investigate as necessary and hold a conference with the employee within ten days after receipt of the written complaint. The administrator will provide the employee a written response within ten days following the conference.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision. The appeal notice must be filed in writing within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline. The Superintendent or designee will hold a conference within ten days after the appeal notice is filed. The conference will be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. The Superintendent or designee will provide the employee a written response within ten days following the conference.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board. The appeal notice must be filed in writing within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline to the Board. The Superintendent or designee will inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board. The District will determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law.

The Board may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including Board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate District official. If the campus principal, supervisor, or District official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the Superintendent may be made directly to the Board.

The District's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

Employee Welfare Freedom from Harassment

Note: This policy addresses harassment of District employees. For harassment of students, see <u>FFH</u>. For reporting requirements related to child abuse and neglect, see <u>FFG</u>.

The District prohibits sexual harassment and harassment based on a person's race, color, gender, national origin, disability, religion, or age.

Employees shall not tolerate harassment of others and shall make reports as required at reporting procedures, below.

Sexual Harassment

Sexual harassment of an employee is defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

- 1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
- 2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

Examples

Examples of sexual harassment may include, but are not limited to, sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

Other Prohibited Harassment

Harassment of a District employee on the basis of the employee's race, color, gender, national origin, disability, religion, or age includes physical, verbal, or nonverbal conduct related to these characteristics when the conduct is so severe, persistent, or pervasive that the conduct:

- 1. Has the purpose or effect of unreasonably interfering with the employee's work performance;
- 2. Creates an intimidating, threatening, hostile, or offensive work environment; or
- 3. Otherwise adversely affects the employee's employment opportunities.

Examples

Examples of prohibited harassment may include, but are not limited to, offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other types of aggressive conduct such as theft or damage to property.

Reporting Procedures

An employee who believes that he or she has experienced prohibited harassment should immediately report the alleged acts to an appropriate person designated below.

Any District employee with supervisory authority who receives notice that another employee has or may have experienced prohibited harassment is required to immediately report the alleged acts and take whatever other steps are required by this policy.

Any other person who knows or believes that a District employee has experienced harassment should immediately report the alleged acts to the appropriate person designated by this policy.

Timely Reporting

Reports of harassment shall be made as soon as possible after the alleged acts. A failure to promptly report alleged harassment may impair the District's ability to investigate and address the harassment.

A District employee may report harassment to his or her supervisor or campus principal. A person shall not be required to report harassment to the alleged harasser; nothing in this policy prevents a person from reporting harassment directly to one of the District officials below:

District Officials

- 1. For sexual harassment, the Title IX coordinator. DAA(LOCAL)
- 2. For all other prohibited harassment, the Superintendent.

A report against the Title IX coordinator may be made directly to the Superintendent; a report against the Superintendent may be made directly to the Board.

Notification Report

Upon receipt of a report of harassment, a supervisor or principal shall immediately notify the appropriate District official listed above.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Investigation of the Report

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notification of a report, the District official shall determine whether the allegations, if proven, would constitute sexual harassment or other prohibited harassment as defined by District policy. If so, the District official shall immediately authorize or undertake an investigation.

If appropriate, the District shall promptly take interim action to prevent harassment during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The District's obligation to conduct an investigation is not satisfied by the fact that a criminal or regulatory investigation regarding the same or similar allegations is pending.

Concluding the Investigation

Absent extenuating circumstances, the investigation should be completed within ten business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

District Action

If the results of an investigation indicate that prohibited harassment occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the harassment.

The District may take disciplinary action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of harassment prohibited by law or District policy.

Appeal

A complainant who is dissatisfied with the outcome of the investigation may appeal through <u>DGBA (LOCAL)</u>, beginning at the appropriate level.

The complainant shall be informed of his or her right to file a complaint with the Texas Workforce Commission Civil Rights Division, the Equal Employment Opportunity Commission, or the United States Department of Education Office for Civil Rights.

Retaliation Prohibited

Retaliation against an employee alleged to have experienced harassment, a witness, or another person who makes a report or participates in an investigation is strictly prohibited. A person who makes a good faith report of prohibited harassment shall not suffer retaliation for making the report. A person who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding prohibited harassment is subject to appropriate discipline.

Records Retention

Retention of records shall be in accordance with DAA (LOCAL).

Access to Policy

This policy shall be distributed annually to District employees. Copies of the policy shall be readily available at each campus and the District administrative offices.

An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See reporting Suspected Child Abuse, page and Bullying, page for additional information.

The District's policy that includes definitions and procedures for reporting and investigating harassment of students is: <u>DHB (Legal)</u>.

Reporting Suspected Child Abuse

Policies DG, DHB, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §261.001, to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within forty-eight (48) hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at https://www.txa-busehotline.org/Login/Default.aspx or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the District is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agencies. In addition, employees must cooperate with child abuse and neglect investigators.

Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The District has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at http://www.clintweb.net/. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in Reporting Suspected Child Abuse.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Technology Resources

Policy CQ, CQ(R)

The District's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used

on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the District
- Does not unduly burden the District's technology resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the District's acceptable use agreement and administrative procedures, see. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and/or legal action. Acceptance of the District Employee Handbook equates to acceptance of the District's Agreement for Acceptable Use e-forms in CQ(R). Employees with questions about computer use and data management can contact Technology Services Department at 926-4101.

Personal Use of Electronic Communication

Policies CQ, DH

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, and not during instructional time unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educator's Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - o Confidentiality of student records. (see Policy FL)
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. (See Policy DH (EXHIBIT)
 - Confidentiality of district records, including educator evaluations and private email addresses. (See Policy GBA)
 - Copyright law (See Policy CY)
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. (See Policy DH (EXHIBIT)

See Electronic Communications between Employees, Students, and Parents, below, for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students and Parents Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the District are prohibited.

An employee is not subject to these provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship

with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are accepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- Electronic communications means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. Administering Medication to Students

Policy FFAC

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the administration of medication for respiratory distress, medication for anaphylaxis (e.g., EpiPen), opioid antagonists and medication for diabetes management, if the medication is administered in accordance with

district policy and procedures. A student who must take any other prescription medication during the school day must bring a written request from his or her parent and the medicine, in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

Policies DH, FFAC

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Psychotropic Drugs

Policy FFAC

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood or behavior altering substance. District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

Student Conduct and Discipline

Policies FN, FO

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student Attendance

Policy FEB

Employee Handbook 2024-2025

Teachers and staff should be familiar with the District's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note (within 2 school days) signed by the parent/guardian that describes the reason for the absence. A note signed by the student, even with the parent's permission, will not be accepted unless the student is 18 years or older. If not, the absence will be unexcused. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

Bullying

Policy FFI

Bullying is defined by TEC §37.0832. All employees are required to report student complaints of bullying, including cyber bullying, to their immediate supervisor. The District's policy that includes definitions and procedures for reporting and investigating bullying of students is found at: <u>TASB</u>

Hazing

Policy FNCC

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, which has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
